Notice of Deadline for Submission of Institutional Agreement for Participation in the Federal Perkins Loan Program Expanded Lending Option

AGENCY: Department of Education.

ACTION: Notice of deadline for submission of institutional agreement for participation in the Federal Perkins Loan Program Expanded Lending Option.

SUMMARY: This notice establishes the deadline for submission of the "Institutional Agreement For Participation In the Federal Perkins Loan Program Expanded Lending Option (ELO)" (ELO Participation Agreement) by those eligible institutions that elect to participate in the Federal Perkins Loan Program ELO in the 1995-96 award year (the period from July 1, 1995 through June 30, 1996).

SUPPLEMENTARY INFORMATION: The Federal Perkins Loan Program provides low-interest loans to financially needy students attending institutions of higher education to help them pay their educational costs. The ELO is available for the 1995-96 award year for institutions of higher education that participate in the Federal Perkins Loan Program.

To be eligible to participate in the Federal Perkins Loan Program ELO for 1995-96, an institution must have had a Federal Perkins Loan cohort default rate of 15 percent or less as of June 30, 1994, and must have participated in the Federal Perkins Loan Program for the two previous award years (1993-94 and 1994-95). In addition, an institution must enter into a special ELO Participation Agreement with the Secretary. An institution that elects to participate in the ELO must complete, sign, date and submit the ELO Participation Agreement by the closing date to obtain approval.

Institutions that become Federal Perkins Loan Program ELO participants will be required to increase the Institutional Capital Contribution (ICC) to at least a dollar-for-dollar match with any portion of the 1995-96 award year Federal Capital Contribution (FCC) received. Only new FCC received on or after July 1, 1995, would be matched at the increased rate. Institutions would not match funds received prior to July 1, 1995, at the higher rate. Institutions receiving no new FCC for the 1995-96 award year may still elect to participate in the Federal Perkins Loan Program ELO.

Institutions that become Federal Perkins Loan Program ELO participants may make loans to eligible students at higher maximum annual and aggregate limits than is the case with nonparticipating institutions. ELO participating institutions that do not ultimately make any loans at the higher ELO levels for the 1995-96 award year must still honor the ELO Participation Agreement to deposit in the Federal Perkins Loan Program Fund an ICC at least equal to the 1995-96 award year FCC deposited into the Fund. All other administrative procedures would remain the same as for institutions not participating in the Federal Perkins Loan Program ELO.

DATES: *Closing Date for Transmittal of ELO Participation Agreement:* To ensure participation in the Federal Perkins Loan Program ELO in the 1995-96 award year, an eligible institution that elects to participate must submit its ELO Participation Agreement by August 16, 1995.

Proof of mailing consists of one of the following: (1) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service, (2) a legibly dated U.S. Postal Service postmark, (3) a dated shipping label, invoice, or receipt from a commercial carrier, or (4) any other proof of mailing acceptable to the U.S. Secretary of Education.

If an ELO Participation Agreement is sent through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing: (1) A private metered postmark, or (2) a mail Service does not uniformly provide a dated postmark. Before relying on this method, an institution should check with its local post office. An institution is encouraged to use certified or at least first-class mail.
