Department of the Army

Corps of Engineers; Intent to Prepare an Environmental Impact Statement (EIS) for the Norco Bluffs Streambank Stabilization Project Feasibility Study

AGENCY: U.S. Army Corps of Engineers, Los Angeles District, DOD.

ACTION: Notice of intent.

SUMMARY: The Los Angeles District intends to prepare an EIS to support a cost shared feasibility study with Riverside County Flood Control and Water Conservation District, California for streambank stabilization along the Norco Bluffs portion of the Santa Ana River in the City of Norco, California. The purpose of the feasibility study is to evaluate alternatives for reduction of streambank erosion in the City of Norco. The proposed project alternatives would include a structural solution, including toe protection, buttress backfilling, and other construction methods, as well as

non-structural solutions. The EIS will analyze potential impacts on the environment of a range of alternatives, including the recommended plan.

SCOPING: The Army Corps of Engineers will conduct a scoping meeting prior to preparing the Environmental Impact Statement to aid in determining the significant environmental issues associated with the proposed action. The public, as well as Federal, State, and local agencies are encouraged to participate in the scoping process by submitting data, information, and comments identifying relevant environmental and socioeconomic issues to be addressed in the environmental analysis. Useful information includes other environmental studies, published and unpublished data, alternatives that should be addressed in the analysis, and potential mitigation measures associated with the proposed action.

The location, date, and time of the public scoping meeting will be announced in the local news media. A separate notice of this meeting will be sent to all parties on the project mailing list. Individuals and agencies may offer information or data relevant to the environmental or socioeconomic impacts by attending the public scoping meeting. Comments, suggestions, and requests to be placed on the mailing list for announcements and for the Draft EIS, should be sent to Alex Watt, U.S. Army Corps of Engineers, Los Angeles District, Attn: CESPL-PD-RQ, P.O. Box 2711, Los Angeles, CA 90053.

FOR FURTHER INFORMATION CONTACT: Mr. William R. Burton, U.S. Army Corps of Engineers, Los Angeles District, Planning Division at (213) 894-4352.

SUPPLEMENTARY INFORMATION: The Army Corps of Engineers intends to prepare an EIS to assess the environmental effects associated with the streambank stabilization proposed for Norco Bluffs. The public will have the opportunity to comment on this analysis before any action is taken to implement the proposed action.

Availability of the Draft EIS

The Draft EIS is expected to be published and circulated in January 1996, and a Public hearing will be held after it is published.

SUPPLEMENTARY INFORMATION: The National Educational Research Policy and Priorities Board is authorized by Section 921 of the Educational Research, Development, Dissemination, and Improvement Act of 1994 (the Act). The Board works collectively with the Assistant Secretary for the office of Educational Research and Improvement (the Office) to forge a national consensus with respect to a long-term agenda for educational research, development, and dissemination, and to provide advice and assistance to the Assistant Secretary in administering the duties of the Office.

The Act directs the Assistant Secretary to develop, in consultation with the Board, such standards as may be necessary to govern the conduct and evaluation of all research, development, and dissemination activities carried out by the Office to ensure that such activities meet the highest standard of professional excellence. The Board, in turn, has created a Committee on Research Standards to act on its behalf in this matter, in the interval between full meetings of the Board.

The meeting of the Committee on Research Standards is open to the public. The agenda for the meeting includes a discussion of the public's comments on proposed research standards for the evaluation of

applications for grants and cooperative agreements and proposals for contracts **Federal Register**, Vol. 60, No. 109, Wednesday, June 7, 1995) and the drafting of final proposed research standards. In addition, the Committee will examine steps to be taken by the Office of Educational Research and Improvement to arrive at proposed standards for the evaluation of exemplary programs and promising practices for dissemination.

A final agenda will be available from the Board's office on July 28, 1995.

Records are kept of all Board proceedings, and are available for public inspection at the office of the National Educational Research Policy and Priorities Board, 555 New Jersey Avenue, NW, Washington, D.C. 20208-7564.

Dated: July 12, 1995.
