BILLING CODE 4310-10-M

Fish and Wildlife Service

Availability of a Habitat Conservation Plan, Environmental Assessment, and Receipt of an Application for an Incidental Take Permit of Utah Prairie Dog Related to the Expansion of an Existing Warehouse by the Coleman Company, Inc., Cedar City, Iron County, Utah

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: The Coleman Company (Applicant) has applied to the Fish and Wildlife Service for an incidental take permit pursuant to section 10(a)(1)(B) of the Endangered Species Act (Act) of 1973, as amended. The Applicant has been assigned Permit Number PRT-804404. The requested permit, which is for a period not to exceed 2 years, would authorize the incidental take of the threatened Utah prairie dog (*Cynomys parvidens*). The proposed take would occur as a result of a 1.4 acre expansion of an existing warehouse owned by The Coleman Company in Cedar City, Iron County, Utah.

The Applicant has prepared a habitat conservation plan and an environmental assessment for the incidental take permit application. This notice is provided pursuant to section 10(c) of the Act and National Environmental Policy Act regulations (40 CFR 1506.6).

DATES: Written comments on the habitat conservation plan, permit application, and environmental assessment must be received on or before August 18, 1995.

ADDRESSES: Requests for any of the above documents and comments or materials concerning them should be sent to the Assistant Field Supervisor, Utah Field Office, U.S. Fish and Wildlife Service, 145 East 1300 South, Suite 404, Salt Lake City, Utah 84115. The documents and comments and materials received will be available for public inspection, by appointment, during normal business hours at the above address. Please refer to Permit Number PRT-804404 in all correspondence regarding these documents.

FOR FURTHER INFORMATION CONTACT:

Robert D. Williams, Assistant Field Supervisor (see ADDRESSES above) (telephone (801) 524-5001 extension 124, facsimile (801) 524-5021).

SUPPLEMENTARY INFORMATION: Section 9 of the Endangered Species Act (Act) of 1973, as amended (16 U.S.C. 1531 *et seq.*), prohibits the "taking" of any threatened or endangered species, including the Utah prairie dog.

However, the Fish and Wildlife Service, under limited circumstances, may issue permits to take threatened and endangered wildlife species if such taking is incidental to, and not the purpose of, otherwise lawful activities. Regulations governing permits for threatened and endangered species are at 50 CFR 17.22.

The Coleman Company, a corporation, wishes to construct a 52,800 square foot addition to an existing warehouse in Cedar City, Iron County, Utah. The construction will impact 1.4 acres of a 3.7 acre vacant lot on the south side of the warehouse. The entire 3.7 acre lot is known to be inhabited by the Utah prairie dog, a threatened species.

The Applicant considered a no-action alternative. There are no other logistically suitable sites for warehouse expansion of the Coleman property. The Applicant rejected the no-action alternative because this would cause loss of use of the private property, resulting in an economic loss.

Authority: The authority for this action is the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*) and the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*).

Dated: July 11, 1995.

Terry T. Terrell,

Deputy Regional Director, Denver, Colorado.
