National Park Service

Intent to Revise Concession Policy

AGENCY: National Park Service, Interior.

ACTION: Notice of intent to revise concession policy.

SUMMARY: On January 17, 1995, the National Park Service (NPS) published for public comment in the **Federal Register** proposed amendments to certain concession policies. Two of these policy amendments have been adopted under separate notice. The remaining policy amendment proposed to eliminate the exemption from franchise fee computation of gross receipts generated by the sale of Native American handicrafts. In reviewing comments received on this proposal, NPS noted that the notice incorrectly limited this exclusion to Native American handicrafts, although the Standard NPS Concession Contract refers to "genuine United States Indian and native handicraft."

Because this is a much broader category than indicated in the January 17, 1995, **Federal Register** notice, NPS is publishing a revised policy amendment for comment. Although not required by law to seek public comments on this policy amendment, NPS will consider all comments received in a timely manner in its final decision on this matter. Comments on this policy amendment submitted in response to the January 17, 1995, **Federal Register** notice will also be retained and considered. Respondents to that notice are also invited to amend or expand their comments as a result of this revision.

COMMENT DATE: August 21, 1995.

ADDRESSES: Comments should be made to Robert Yearout, Chief, Concessions Division, National Park Service, P.O. Box 37127, Washington, DC 20013-7127.

SUPPLEMENTARY INFORMATION: For many years, NPS has had a policy which excludes from franchise fee computation the proceeds to concessioners generated by the sale of United States Indian and native handicrafts. The purpose of the policy
