

Texas Controlled Substances Registration and DEA registration. Respondent's application for DEA registration was approved on January 26, 1987.

In April of 1992, DEA investigators in San Antonio received information that Respondent was authorizing prescriptions for hydrocodone (Schedule III), Tussionex (Schedule III) and other non-controlled medications for himself and members of his family in violation of Texas law. DEA informed the Board of Respondent's prescribing practices.

On September 27, 1993, Respondent entered into an Agreed Order, effective October 10, 1993, with the Board whereby Respondent's medical license was suspended, with such suspension stayed for a seven year probationary period. As a condition of probation, Respondent cannot "possess, administer, dispense or prescribe any controlled substances, except that Respondent may possess and self-administer those controlled substances prescribed to him by another physician for a legitimate and therapeutic purpose." Pursuant to this restriction, Respondent is no longer authorized to handle controlled substances within the State of Texas.

Respondent's written statement argues that his DEA Certificate of Registration should not be revoked because the Agreed Order did not require him to surrender either his DEA registration number or his Texas controlled substances registration number. However, despite the fact that the Agreed Order did not require Respondent to surrender his DEA registration, the terms of the order specifically prohibit Respondent from handling controlled substances. DEA has consistently held that it does not have statutory authority under the Controlled Substances Act to register a practitioner unless that practitioner is authorized to dispense controlled substances by the state in which he proposes to practice. See *Lawrence R. Alexander, M.D.*, 57 FR 22256 (1992); *Bobby Watts, M.D.*, 53 FR 11919 (1988); *Robert F. Witek, D.D.S.*, 52 FR 4770 (1987). Therefore, because Respondent is no longer authorized to handle controlled substances in the State of Texas, the Deputy Administrator cannot permit him to maintain a DEA Certificate of Registration in that state.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration BR0775291, previously issued to Barney Rubenstein,

M.D., be, and it is hereby, revoked, and that any pending applications for renewal of such registration be, and they hereby are, denied. This order is effective August 21, 1995.

Dated: July 14, 1995.

Stephen H. Greene,

Deputy Administrator.
