A limited number of copies of the FONSI are available to fill single copy requests at the above address. No administrative action on implementation of the proposal will be taken until 30 days after the date of this publication in the **Federal Register**.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of antidumping duty administrative review.

SUMMARY: On January 17, 1995, the Department of Commerce (the Department) published the preliminary results of its administrative review of the antidumping duty order on brass sheet and strip from Germany. The review covers exports of this merchandise to the United States by one manufacturer/exporter, Wieland-Werke AG (Wieland), during the period March 1, 1993 through February 28, 1994.

The review indicates the existence of *de minimis* dumping margins for this period.

We gave interested parties an opportunity to comment on our preliminary results. Based on our analysis of the comments received, we have adjusted Wieland's margin for these final results.

EFFECTIVE DATE: July 25, 1995.

FOR FURTHER INFORMATION CONTACT: Thomas Killiam, Chip Hayes, or John Kugelman, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5253.
