

553(d)(3), we conclude that "good cause" exists to have the rule amendments set forth in this Report and Order take effect immediately upon publication in the **Federal Register**. The Commission's next auction is presently scheduled to commence on August 29, 1995, and short-form applications for that auction are due on July 28, 1995.¹⁰ In order to provide for a smooth transition to the new computer system and software discussed in this Report and Order, it is necessary to institute our fee schedule prior to the start of this upcoming auction.
