

award of these FY 1995 funds to eight recipients who had applied under the FY 1994 FHIP NOFA (59 FR 25532) to continue their FY 1993-funded projects. Because at the time the FY 1994 awards were made, these recipients were still administering their FY 1993 activities and would not be able to use FY 1994 funds for some time, the Department determined to award the FY 1994 funds to qualifying applicants who could sooner begin the implementation of

their projects. The qualifying FY 1993 continuation projects under the FY 1994 NOFA were held over to be awarded out of FY 1995 funds in the amounts here announced.

The Department reviewed, evaluated and scored the applications received based on the criteria in the FY 1994 FHIP NOFA. As a result, HUD has funded the applications announced below, and in accordance with section 102(a)(4)(C) of the Department of

Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989), the Department is publishing details concerning the recipients of funding awards, as follows below.
