Foreign-Trade Zones Board

[Docket A(32b1)-14-95]

Foreign-Trade Zone 122—Corpus Christi, TX, Subzone 122J, Valero Refining Company (Crude Oil Refinery); Request for Modification of Restrictions

A request has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Corpus Christi Authority, grantee of FTZ 122, pursuant to

§ 400.32(b)(1) of the Board's regulations, for modification of the restrictions in FTZ Board Order 414 authorizing Subzone 122J at the crude oil refinery of Valero Refining Company (Valero) in Corpus Christi, Texas. The request was formally filed on July 18, 1995.

The Board Order in question was issued subject to certain standard restrictions, including one that required the election of privileged foreign status on incoming foreign merchandise. The zone grantee has requested that the latter restriction be modified so that Valero would have the option available under the FTZ Act to choose non-privileged foreign (NPF) status on foreign refinery inputs used to produce certain petrochemical feedstocks and by-products, including the following: benzene, toluene, xylenes, other hydrocarbon mixtures, distillates/residual fuel oils, kerosene, naphthas, liquified petroleum gas, ethane, methane, propane, butane, ethylene, propylene, butylene, butadiene, petroleum coke, asphalt, sulfur, sulfuric acid, cumene and pseudocumene.

The request cites the FTZ Board's recent decision in the Amoco, Texas City, Texas case (Board Order 731, 60 FR 13118, 3/10/95) which authorized subzone status with the NPF option noted above. In the Amoco case, the Board concluded that the restriction that precluded this NPF option was not needed under current oil refinery industry circumstances.

Public comment on the proposal is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 28, 1995.

A copy of the application and accompanying exhibits will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 3716, 14th & Pennsylvania Avenue, NW., Washington, DC 20230.

Dated: July 19, 1995.

Dennis Puccinelli,

Acting Executive Secretary.

(Phibro), in Houston, Texas. The request was formally filed on July 18, 1995.
