### Realty Action; Proposed Modified Competitive Sale; Oregon

July 19, 1995.

The following described public lands have been examined and determined to be suitable for transfer out of Federal ownership by modified competitive sale under the authority of Sections 203 and 209 of the Federal Land Policy and Management Act of 1976, as amended (90 Stat. 2750; 43 U.S.C. 1713 and 90 Stat. 2757; 43 U.S.C. 1719), at not less than the appraised fair market value:

#### Willamette Meridian, Oregon

T. 7 S., R. 3 W.,  
Sec. 18, Lot 3 (OR 51998)  
Sec. 18, Lot 4 (OR 52165)  
Sec. 18, Lot 5 (OR 52166)

The above-described parcels aggregate 0.99 acre in Polk county.

The parcels will not be offered for sale until at least 60 days after publication of this notice in the **Federal Register**. The fair market value of the parcels have not yet been determined. Anyone interested in knowing the values may request this information from the address shown below.

The above-described lands are hereby segregated from appropriation under the public lands laws, including the mining laws, but not from sale under the above-cited statute, for 270 days or until title transfer is completed or the segregation is terminated by publication in the **Federal Register**, whichever occurs first.

The parcels are difficult and uneconomic to manage as part of the public lands and are not suitable for management by another Federal department or agency. No significant resource values will be affected by this transfer. Because of the parcels' relatively small size, their best use is to merge them with the adjoining ownerships. Use of the modified competitive sale procedures will avoid an inappropriate land ownership pattern. The sale is consistent with the Salem District Resource Management

Plan and the public interest will be served by offering these parcels for sale.
