**ACTION:** Notice.

**SUMMARY:** This notice announces a draft policy that ATSDR proposes to conduct a government-to-government relationship with federally recognized tribal governments. The public is invited to comment on this draft policy statement.

**DATES:** Comments must be received on or before August 31, 1995.

**ADDRESSES:** Submit written comments relating to the draft policy statement to: Office of Federal Programs, Agency for Toxic Substances and Disease Registry, 1600 Clifton Road, NE., Mailstop E-28, Atlanta, Georgia 30333, telephone (404) 639-0730.

In carrying out its programs, ATSDR works with other Federal, State, and local government agencies, and tribal organizations to protect public health.

The U.S. Government has a unique government-to-government relationship with tribal governments as established by the U.S. Constitution, by treaties, by statute, by court decisions, and by

Executive Orders. ATSDR is strongly committed to building a more effective day-to-day working relationship with tribal governments. This relationship respects their rights of self-government because of their sovereign status.

In fulfilling the commitment to establish and maintain government-to-government relations with federally recognized tribal governments, ATSDR will be guided by:

(1) Section 126 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) and the principles set forth in the President's "Memorandum for the Heads of Executive Departments and Agencies; Subject: Government-to-Government Relations with Native American Tribal Governments" (April 29, 1994). In particular, ATSDR will

- In a manner consistent with the protection of public health, consult with tribal governments to ensure that tribal rights and concerns are considered before ATSDR takes actions, makes decisions, or implements programs that may affect tribes; and

- Establish procedures to work directly and effectively with tribal governments on ATSDR programs.

(2) The needs and culture of individual tribal governments;

(3) ATSDR's prior and ongoing experience with tribal governments, and recognized organizations associated with such governments; and

(4) A recognized need to enhance coordination with other agencies with related areas of responsibility.
