##### **Revision of Commercial Use License Program to Incidental Business Permit Program**

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice and public comment on change from Commercial Use License Program to Incidental Business Permit Program.

**SUMMARY:** The National Park Service has revised and updated the Commercial Use License Program that permits certain business operators to utilize National Park Service land. This program has been renamed "Incidental Business Permit Program" and is incorporated under the Special Use Permitting system. These operators are not concessioners and are not under the purview of Pub. L. 89-249. The new procedures will rescind Chapter 13 of NPS-48 ("The Concessions Guideline") and corresponding sections of NPS-53 ("Special Park Uses Guideline") effective as of the date of this publication.

The Commercial Use License Program in effect since 1981 has been used to license certain business operators utilizing areas of the National Park System. Established criteria insured that these operators did not fall under the purview of Pub. L. 89-249 and did not enjoy the privileges granted to concessioners authorized to operate on park land.

The National Park Service established a workgroup to study and evaluate the Commercial Use License program in the national parks. As a result of the findings of that workgroup, it was determined that following revisions were necessary to insure consistency in the program.

1. Incidental Business operations will be evaluated by specific criteria, and authorized under the proper authorizing document.

2. Incidental Business operators will be required as a condition of the permit to provide visitor and revenue information to the parks.

3. Provisions of the permit will insure better resource and visitor protection.

4. Parks will be permitted to utilize cost recovery procedures in monitoring and administering the program.

5. The program will be evaluated annually by a peer board of critique to provide consistency in the program and insure that the program remains functional.

The procedures will function as an internal staff manual and notice of this revision is not required to be published in the **Federal Register** nor is public comment on it required to be sought. However, to assure that the view of all

interested parties is considered, public comment is requested, and the National Park Service will consider all comments received and make appropriate amendments if public comments so warrant.

**DATES:** Comments must be received on or before September 6, 1995.

**ADDRESSES:** Comments should be directed to Robert K. Yearout, Chief, Concessions Division, National Park Service, P.O. Box 37127, Washington, D.C. 20013-7127.

**FOR FURTHER INFORMATION CONTACT:** Laurie Shaffer, Contract Analyst, Contract Branch, Concessions Division, National Park Service, P.O. Box 37127, Washington, D.C. 20013-7127. Copies of the proposed guidelines are available on request.

## DEPARTMENT OF JUSTICE

### Antitrust Division

#### United States v. Interstate Bakeries Corp. and Continental Baking Co.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Consent Judgment, Stipulation, and Competitive Impact Statement have been filed with the United States District Court for the Northern District of Illinois, Eastern Division in a civil antitrust case, *United States v. Interstate Bakeries Corp. and Continental Baking Co.*, Civ. No. 95 C 4194.

On July 20, 1995, the United States filed a Complaint seeking to enjoin a transaction by which Interstate agreed to acquire Continental. Continental and Interstate are the country's first and third largest wholesale commercial bakers and producers of white pan bread ("plain old white bread"). The Complaint alleged that the proposed acquisition would substantially lessen

competition in the sale of white pan bread in five markets (Chicago, Milwaukee, central Illinois (Springfield, Peoria, Champaign/Urbana), San Diego, and Los Angeles) in violation of section 7 of the Clayton Act, 15 U.S.C. 18.

The proposed Final Judgment requires defendants to divest such brand names and possibly other assets as are necessary to create a new competitor in the sale of white pan bread in each of the five markets. If the required divestitures are not accomplished within nine months, the Court will appoint a trustee to complete the sales. The Hold Separate Stipulation and Order is intended to facilitate the divestitures by requiring defendants to hold separate and maintain certain products and plans as economically viable assets pending possible divestiture. A Competitive Impact Statement filed by the United States describes the Complaint, the proposed Final Judgment, and remedies available to private litigants.

The public is invited to comment to the Justice Department and to the Court. Comments should be addressed to Anthony V. Nanni, Chief, Litigation I Section, U.S. Department of Justice, Antitrust Division, 1401 H Street NW., Room 4000, Washington, DC 20530 (telephone: (202) 307-0207). Comments must be received within sixty days.

Copies of the Complaint, Hold Separate Stipulation and Order, proposed Final Judgment, and Competitive Impact Statement are available for inspection in Room 207 of the U.S. Department of Justice, Antitrust Division, 325 7th Street, NW., Washington, DC 20530 (telephone: (202) 514-2841), and at the office of the Clerk of the United States District Court for the Northern District of Illinois, Eastern Division, 219 S. Dearborn, 20th Floor, Chicago, Illinois, 60604. Copies of these materials may be obtained upon request and payment of a copying fee.
