

Seminole has provided RUS with a Site Certification Application/Environmental Analysis for Hardee Unit 3 which is the primary support document used by RUS to develop its FSEIS. RUS has concluded that the Site Certification Application/Environmental Analysis for Hardee Unit 3 represents an accurate assessment of the potential environmental impacts related to the proposed project. The Hardee Unit 3 Site Certification Application/Environmental Analysis has been incorporated by reference into the FSEIS and is available for inspection by interested parties at RUS or Seminole at the addresses provided in this notice. That document, along with the FSEIS, will also be available for review at the following libraries:

Bartow Public Library, 315 E. Parker Street, Bartow, Florida 33830.
Hardee County Library, 315 N. 6th Avenue, Suite 114, Wauchula, Florida 33837.

Notice of availability of the FSEIS and the 30-day comment period is being published in the **Federal Register** by RUS and EPA. Seminole will have a notice similar to this one published in newspapers of general circulation in Polk and Hardee Counties. As it is possible that RUS, EPA, and Seminole's notices will not appear on the same date, the 30-day comment period will begin on the date the latest notice (RUS, EPA or Seminole's) is published. In no case would the 30-day comment period end prior to 30 days from the publication date of this notice. Questions concerning the closing date of the 30-day comment period can be referred to Mr. Lawrence Wolfe at (202) 720-1784.

Anyone wishing to comment on the FSEIS should do so in writing within the 30-day comment period to RUS at the address provided in this notice. All comments received during the comment period will be given consideration in the formulation of final determinations regarding RUS's action related to the Hardee Unit 3. Prior to taking its final action related to the Hardee Unit 3, RUS will prepare a Record of Decision. The availability of the Record of Decision will not be announced nor circulated as have the Draft Supplemental Environmental Impact Statement and the FSEIS. Anyone wishing a copy of RUS's Record of Decision for the project should notify RUS at the address provided in this notice.

Dated: July 28, 1995.

Yazoo Valley Electric Power Association; Finding of No Significant Impact

AGENCY: Rural Utilities Service, USDA.

ACTION: Notice of finding of no significant impact.

SUMMARY: Notice is hereby given that the Rural Utilities Service (RUS) has made a finding of no significant impact (FONSI) with respect to a request by Yazoo Valley Electric Power Association to use its general funds to construct a headquarters facility in Yazoo County, Mississippi.

The FONSI is based on a Borrower's Environmental Report (BER) submitted to RUS by Yazoo Valley Electric Power Association. RUS conducted an independent evaluation of the report and concurs with its scope and content. In accordance with RUS Environmental Policies and Procedures, 7 CFR 1794.33, RUS prepared an environmental assessment for the project based on the information provided in the BER.

FOR FURTHER INFORMATION CONTACT:

Lawrence R. Wolfe, Chief,
Environmental Compliance Branch,
Electric Staff Division, RUS, Ag. Box
1569, Washington, DC 20250-1569,
telephone (202) 720-1784.

SUPPLEMENTARY INFORMATION: The headquarters facility is proposed to be located in Yazoo City, Mississippi, on Gordon Avenue adjacent to the National Guard Armory. The size of the proposed site for the headquarters facility is approximately 25 acres of which 15 acres would be developed. The headquarters facility will consist of a 12,823 square foot building to be used for assembly, operations, administration, and engineering office space, a 10,800 square foot warehouse, a 9,000 square foot shop, approximately 90 parking spaces, a fuel service island, a transformer storage area, and a pole storage yard.

RUS considered the alternatives of no action and alternative site locations for a new headquarters facility.

Copies of the environmental assessment and FONSI are available for review at, or can be obtained from, RUS at the address provided herein or from Yazoo Valley Electric Power Association, 1408 Grand Avenue, Yazoo City, Mississippi 39194-0008, telephone (601) 746-4251.

Dated: July 31, 1995.
