

Federal agencies, as well as private organizations, both national and international, have elected to follow the NIH Guidelines. In lieu of the individual program listing, NIH invites readers to direct questions to the information address above about whether individual programs listed in the Catalog of Federal Domestic Assistance are affected.

BILLING CODE 4140-01-M

Ad Hoc Review Committee for the Recombinant DNA Advisory Committee; Meeting

Notice is hereby given of a meeting of the Ad Hoc Review Committee for the Recombinant DNA Advisory Committee on August 28, 1995, at the National Institutes of Health, Building 31C, 6th Floor, Conference Room 8, 9000 Rockville Pike, Bethesda, Maryland 20892, starting at approximately 9 a.m. to adjournment at approximately 5 p.m. The meeting will be open to the public to discuss three major topics for review: (1) Domain and mandate of the Recombinant DNA Advisory Committee; (2) composition of the Recombinant DNA Advisory Committee; and (3) Recombinant DNA Advisory Committee's review of human gene transfer protocols. Attendance by the public will be limited to space available. Members of the public wishing to speak at this meeting may be given such opportunity at the discretion of the Chair.

Dr. Nelson A. Wivel, Director, Office of Recombinant DNA Activities, Suite 323, National Institutes of Health, 6006 Executive Boulevard, MSC 7052, Bethesda, Maryland 20892-7052, Phone (301) 496-9838, FAX (301) 496-9839, will provide materials to be discussed at this meeting, roster of committee members, and substantive program information. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should contact Dr. Wivel in advance of the meeting. A summary of the meeting will be available at a later date.

OMB's "Mandatory Information Requirements for Federal Assistance Program Announcements" (45 FR 39592, June 11, 1980) requires a statement concerning the official government programs contained in the Catalog of Federal Domestic Assistance. Normally NIH lists in its

announcements the number and title of affected individual programs for the guidance of the public. Because the guidance in this notice covers not only virtually every NIH program but also essentially every Federal research program in which DNA recombinant molecule techniques could be used, it has been determined not to be cost effective or in the public interest to attempt to list these programs. Such a list would likely require several additional pages. In addition, NIH could not be certain that every Federal program would be included as many Federal agencies, as well as private organizations, both national and international, have elected to follow the NIH Guidelines. In lieu of the individual program listing, NIH invites readers to direct questions to the information address above about whether individual programs listed in the Catalog of Federal Domestic Assistance are affected.
