

Group and to place each of the 26 miscellaneous series in an occupational group that best covers its work. The exact placement of each series is as follows:

GS-100 Special Science Group: Community Planning, Community Planning Technician; Outdoor Recreation Planning; Sports Specialist; Chaplain.

GS-900 Legal Group: Foreign Law Specialist.

GS-1000 Information and Arts Group: Clothing Design; Guide.

GS-1100 Business and Industry Group: Bond Sales; Funeral Directing.

GS-1800 Protective Service Group: Correctional Institution Administration Series; Correctional Officer; Safety and Occupational Health Management; Safety Technician; Park Ranger; Environmental Protection Specialist; Environmental Assistant; Fingerprint Identification Series; Security Administration; Fire Protection and Prevention; United States Marshal; Police; Nuclear Materials Courier Service; Security Guard; Security Clerical and Assistance.

3. There are a few occupations and grade levels that are difficult to categorize because of an anomaly in the current PATC identifier, i.e., some occupations are identified as clerical up to a certain grade and technical above the grade. We will study this issue and provide instructions at a later date.

4. We plan to time the implementation of changes in classification that will result from series consolidation to coincide with another mass change (e.g., locality pay increases). This will eliminate the need to issue a *separate* personnel action to effect the change in classification. We propose that blocks 7 and 15 of the Standard Form 50, Notification of Personnel Action to be used to reflect the new classification title and that blocks 9 and 17 be used to record the job code. Block 45, the remarks section of personnel action form, would be used to identify the new implementing instructions that explain how to process the action. This approach minimizes the work required by agencies and, at the same time, serves to notify employees of changes in the classification of their positions as a result of series consolidation.
