COMMODITY FUTURES TRADING COMMISSION

Chicago Mercantile Exchange Options on the Federal Funds Rate Futures Contract, and Amendments to the Dormant Federal Funds Rate Futures Contract

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of availability of the terms and conditions of a proposed commodity option contract and amendments to the underlying futures contract.

SUMMARY: The Chicago Mercantile Exchange (CME or Exchange) has applied for designation as a contract market in options on its federal funds rate futures contract. In addition, the CME proposes to amend the dormant federal funds rate futures contract that would underlie the proposed contract, and it has filed a request to list federal funds rate futures and option contracts for trading through GLOBEX. The Director of the Division of Economic Analysis (Division) of the Commission, acting pursuant to the authority delegated by Commission Regulation 140.96, has determined that publication of the proposals for comment is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purposes of the Commodity Exchange Act.

DATES: Comments must be received on or before September 11, 1995.

ADDRESSES: Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, 2033 K Street NW, Washington, DC 20581. Reference should be made to the CME federal funds rate futures option contract and the request to reactivate trading in the federal funds rate futures contract.

FOR FURTHER INFORMATION CONTACT: Please contact Stephen Sherrrod of the Division of Economic Analysis, Commodity Futures Trading Commission, 2033 K Street NW, Washington, DC 20581, telephone 202-254-7303.

SUPPLEMENTARY INFORMATION: Regarding the dormant federal funds rate futures contract, the CME proposes to revise the trading unit to represent interest paid on a \$3 million, rather than a \$5 million, 30-day borrowing of overnight Federal funds. This proposal would lower the value of a basis point change to \$25 from \$41.67. The Exchange also proposes to reduce the minimum price fluctuation to .005 from .01 and to establish price limits for trading during the GLOBEX session.

Copies of the terms and conditions will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, 2033 K Street, N.W., Washington, D.C. 20581. Copies of the terms and conditions can be obtained through the Office of the Secretariat by mail at the above address or by phone at (202) 254-6314.

Other materials submitted by the CME may be available upon request pursuant to the Freedom of Information Act (5 U.S.C. 552) and the Commission's regulations thereunder (17 C.F.R. Part 145 (1987)), except to the extent they are entitled to confidential treatment as set forth in 17 C.F.R. 145.5 and 145.9. Requests for copies of such materials should be made to the FOI, Privacy and Sunshine Act Compliance Staff of the Office of the Secretariat at the Commission's headquarters in accordance with 17 C.F.R. 145.7 and 145.8.

Any person interested in submitting written data, views, or arguments on the proposed terms and conditions, or with respect to other materials submitted by the CME, should send such comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, 2033 K Street, NW, Washington, DC 20581 by the specified date.

Issued in Washington, DC, on August 4, 1995.

Blake Imel,

Acting Director.

SUPPLEMENTARY INFORMATION:

Background

The Corporation is a federal government corporation that engages Americans of all ages and backgrounds in community-based service. This service addresses the nation's education, public safety, human, and environmental needs to achieve direct

and demonstrable results. In doing so, the Corporation fosters civic responsibility, strengthens the ties that bind us together as a people, and provides educational opportunity for those who make a substantial commitment to service. Pursuant to the National and Community Service Act of 1990, as amended, the Corporation "may undertake activities to . . . support innovative and model programs." 42 U.S.C. 12653(b).

Programs funded under these grants are intended to be innovative and demonstrate ways a wide variety of Corporation-funded programs and other volunteer efforts can work together to increase their impact on local communities. Therefore, grants will not fund programs per se, but will support models of collaboration among existing service programs. Development of a proposal for funds under these guidelines will require existing programs to meet to plan joint activities, identify mutual needs and priorities and develop a collaborative structure.
