

person's narcotic addiction treatment program.

A request for a hearing may not rest upon mere allegations or denials, but must present specific facts showing that there is a genuine and substantial issue of fact that requires a hearing. If it conclusively appears from the face of the data, information, and factual analyses in the request for a hearing that there is no genuine and substantial issue of fact that precludes the revocation of approval of the application, or when a request for a hearing is not made in the required format or with the required analyses, the Commissioner of Food and Drugs will enter summary judgment against the person who requests the hearing, making findings and conclusions, and denying a hearing.

All submissions pursuant to this notice of opportunity for a hearing are to be filed in six copies. Except for data and information prohibited from public disclosure under 42 CFR part 2, the submissions may be seen in the Dockets Management Branch (address above) between 9 a.m. and 4 p.m., Monday through Friday.

Dated: August 4, 1995.

Gary Dykstra,

Acting Associate Commissioner for Regulatory Affairs.

Public Health Service

Agency Forms Undergoing Paperwork Reduction Act Review

Each Friday the Public Health Service (PHS) publishes a list of information collection requests under review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the PHS Reports Clearance Office on (202) 690-7100.

The following requests have been submitted for review since the list was last published on July 21.

1. National Institutes of Health Construction Grants—42 CFR Part 52b-NPRM—New—Revised regulations governing NIH construction grants require the transfer of a facility or the owner of a facility, the use of which has changed, to provide written notice of the sale, transfer or change within 30 days. The regulations also require awardees to maintain and provide daily construction logs and provide a copy of the construction schedule; and applicants to provide cost data for projects involving the acquisition of existing facilities. *Respondents:* Federal agencies or employees, Non-profit

institutions; *Number of Respondents:* 1; *Number of Responses per Respondent:* 1; *Average Burden per Response:* 1 hour; *Estimated Annual burden:* 1 hour. Send comments to Allison Eydt, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

2. AIDS Drug Discovery and Development Industry Survey—New—The National Task Force on AIDS Drug Development has identified inadequate levels of private sector activity in HIV/AIDS drug discovery targeting the human immunodeficiency virus (HIV) on molecular level as a significant obstacle to the development of new therapies. The Public Health Service is conducting this survey to determine the extent of private sector activity in this area, and to determine whether there are obstacles to further activity and collaboration in HIV/AIDS drug discovery and development between the public and private sectors. *Respondents:* Business or other for-profit; *Number of Respondents:* 300; *Number of Responses per Respondent:* 1; *Average Burden per Response:* 2 hours; *Estimated Annual burden:* 600 hours. Send comments to Allison Eydt, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

Written comments and recommendations concerning the proposed information collections should be sent within 30 days of this notice directly to the individual designated.

Dated: August 1, 1995.

James Scanlon,

Director, Data Policy Staff Office of the Assistant Secretary for Health and PHS Reports Clearance Officer.

BILLING CODE 4160-01-M

National Institutes of Health; Statement of Organization, Functions, and Delegations of Authority

Part H, Chapter HN (National Institutes of Health) of the Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services (40 FR 22859, May 27, 1975, as amended most recently at 60 FR 18607, April 12, 1995) is amended to reflect a reorganization within the Office of the Director, Office of Research Services (ORS). The reorganization consists of establishing the Office of Quality Development. This reorganization is consistent with Administration objectives related to the National Performance Review and the

Continuous Improvement Program. This reorganization will enable ORS to better fulfill its mission by centralizing the focus of widespread reengineering, streamlining, and quality management efforts that are currently taking place within ORS.

Section HN-B, Organization and Functions, is amended as follows: Under the heading *Office of the Director (HNAL1), Office of Research Services (HNAL),* insert the following:

Office of Quality Development (HNAL13). (1) Provides leadership and support to ORS management in developing methods to move ORS towards a total quality culture in customer service and customer and employee satisfaction; (2) promotes quality development initiatives across ORS through management consultation, reinvention efforts, organizational redesign, total quality management, team building, strategic planning, human resource development, and effective training of managers and employees; and (3) serves as the focal point for ORS streamlining initiatives aimed at achieving downsizing targets and achieving customer satisfaction through continuous process improvement, reengineering and other organizational quality improvement methods.

Dated: July 28, 1995.

Ruth L. Kirschstein,

Deputy Director, NIH.

BILLING CODE 4140-01-M

National Institutes of Health; Statement of Organization, Functions and Delegations of Authority

Part H, Chapter HN (National Institutes of Health) of the Statement of Organization, Functions and Delegations of Authority of the Department of Health and Human Services (40 FR 22859, May 27, 1975, as amended most recently at 60 FR 18607, April 12, 1995), is amended to reflect the establishment of the Office of Information Systems Management (OISM) within the National Center for Human Genome Research (NCHGR). The establishment of the OISM will streamline organization within the NCHGR by bringing together all NCHGR staff with responsibility for information systems management under one umbrella organization and allow the Center to operate more effectively by making the most efficient use of manpower and resources.

Section HN-B, Organization and Functions is amended as follows:
