

person's narcotic addiction treatment program.

A request for a hearing may not rest upon mere allegations or denials, but must present specific facts showing that there is a genuine and substantial issue of fact that requires a hearing. If it conclusively appears from the face of the data, information, and factual analyses in the request for a hearing that there is no genuine and substantial issue of fact that precludes the revocation of approval of the application, or when a request for a hearing is not made in the required format or with the required analyses, the Commissioner of Food and Drugs will enter summary judgment against the person who requests the hearing, making findings and conclusions, and denying a hearing.

All submissions pursuant to this notice of opportunity for a hearing are to be filed in six copies. Except for data and information prohibited from public disclosure under 42 CFR part 2, the submissions may be seen in the Dockets Management Branch (address above) between 9 a.m. and 4 p.m., Monday through Friday.

Dated: August 4, 1995.

Public Health Service

Agency Forms Undergoing Paperwork Reduction Act Review

Each Friday the Public Health Service (PHS) publishes a list of information collection requests under review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the PHS Reports Clearance Office on (202) 690-7100.

The following requests have been submitted for review since the list was last published on July 21.

1. National Institutes of Health Construction Grants—42 CFR Part 52b-NPRM—New—Revised regulations governing NIH construction grants require the transfer of a facility or the owner of a facility, the use of which has changed, to provide written notice of the sale, transfer or change within 30 days. The regulations also require awardees to maintain and provide daily construction logs and provide a copy of the construction schedule; and applicants to provide cost data for projects involving the acquisition of existing facilities. *Respondents:* Federal agencies or employees, Non-profit

institutions; *Number of Respondents:* 1; *Number of Responses per Respondent:* 1; *Average Burden per Response:* 1 hour; *Estimated Annual burden:* 1 hour. Send comments to Allison Eydt, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

2. AIDS Drug Discovery and Development Industry Survey—New—The National Task Force on AIDS Drug Development has identified inadequate levels of private sector activity in HIV/AIDS drug discovery targeting the human immunodeficiency virus (HIV) on molecular level as a significant obstacle to the development of new therapies. The Public Health Service is conducting this survey to determine the extent of private sector activity in this area, and to determine whether there are obstacles to further activity and collaboration in HIV/AIDS drug discovery and development between the public and private sectors. *Respondents:* Business or other for-profit; *Number of Respondents:* 300; *Number of Responses per Respondent:* 1; *Average Burden per Response:* 2 hours; *Estimated Annual burden:* 600 hours. Send comments to Allison Eydt, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

Written comments and recommendations concerning the proposed information collections should be sent within 30 days of this notice directly to the individual designated.

Dated: August 1, 1995.

BILLING CODE 4160-01-M

National Institutes of Health; Statement of Organization, Functions, and Delegations of Authority

Part H, Chapter HN (National Institutes of Health) of the Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services (40 FR 22859, May 27, 1975, as amended most recently at 60 FR 18607, April 12, 1995) is amended to reflect a reorganization within the Office of the Director, Office of Research Services (ORS). The reorganization consists of establishing the Office of Quality Development. This reorganization is consistent with Administration objectives related to the National Performance Review and the

Continuous Improvement Program. This reorganization will enable ORS to better fulfill its mission by centralizing the focus of widespread reengineering, streamlining, and quality management efforts that are currently taking place within ORS.

Section HN-B, Organization and Functions, is amended as follows: Under the heading *Office of the Director (HNAL1), Office of Research Services (HNAL),* insert the following:

Office of Quality Development (HNAL13). (1) Provides leadership and support to ORS management in developing methods to move ORS towards a total quality culture in customer service and customer and employee satisfaction; (2) promotes quality development initiatives across ORS through management consultation, reinvention efforts, organizational redesign, total quality management, team building, strategic planning, human resource development, and effective training of managers and employees; and (3) serves as the focal point for ORS streamlining initiatives aimed at achieving downsizing targets and achieving customer satisfaction through continuous process improvement, reengineering and other organizational quality improvement methods.

Dated: July 28, 1995.

National Institutes of Health; Statement of Organization, Functions and Delegations of Authority

Part H, Chapter HN (National Institutes of Health) of the Statement of Organization, Functions and Delegations of Authority of the Department of Health and Human Services (40 FR 22859, May 27, 1975, as amended most recently at 60 FR 18607, April 12, 1995), is amended to reflect the establishment of the Office of Information Systems Management (OISM) within the National Center for Human Genome Research (NCHGR). The establishment of the OISM will streamline organization within the NCHGR by bringing together all NCHGR staff with responsibility for information systems management under one umbrella organization and allow the Center to operate more effectively by making the most efficient use of manpower and resources.

Section HN-B, Organization and Functions is amended as follows:

Under the heading *National Center for Human Genome Research (HN4)*, add the title and functional statement for the OISM as follows:

Office of Information Systems Management (HN416): (1) Provides technical leadership and advice to all levels of Center management in order to obtain maximum utilization of current ADP resources and advancements in the field of information systems technology and telecommunications; (2) determines requirements, designs, implements and coordinates the Center's management information systems which collect, maintain, and report various types of administrative information; (3) advises the NCHGR Director, Deputy Director and Executive Officer, and other Center staff on the technological and policy impact and implications of developments in information systems and related fields within and outside the government; (4) coordinates staff activities with those of contractors, other components of NIH, and other Federal and non-Federal data processing agencies; (5) provides user support, including training, in LAN/information systems capabilities, programs and procedures.

Under the heading *Office of Policy Coordination (HN415)*, delete "(6) plans and coordinates computer network operations", since these activities have been incorporated into the functional statement for the OISM.

Under the heading *Office of Information Management (HN45E)*, delete the title and functional statement in their entirety, since these activities have been incorporated into the Office of Information Systems Management.

Dated: July 28, 1995.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Community Planning and Development

[Docket No. FR-3778-N-49]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and

surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

ADDRESSES: For further information, contact David Pollack, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1234; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a

suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to David Pollack at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: Corps of Engineers: Gary B. Paterson, Chief, Base Realignment and Closure Office, Directorate of Real Estate, 20 Massachusetts Ave., NW, Rm. 4133, Washington, DC 20314-1000; (202) 761-0520; GSA: Ed Guilford, Federal Property Resources Services, GSA, 18th and F Streets NW, Washington, DC 20405; (202) 501-2059; Dept. of Transportation: Ronald D. Keefer, Director, Administrative Services & Property Management, DOT, 400 Seventh St. SW, room 10319, Washington, DC 20590; (202) 366-4246; Dept. of Interior: Lola D. Knight, Property Management Specialist, Dept. of Interior, 1849 C. St. NW, Mailstop 5512-MIB, Washington, DC 20240; (202) 208-4080; (These are not toll-free numbers).
