General Mills Inc., CFTO-South Chicago Plant, Chicago, Illinois; Negative Determination on Reconsideration

On June 20, 1995, the Department issued an Affirmative Determination Regarding Application for Reconsideration for workers and former workers of the subject firm. This notice was published in the **Federal Register** on June 29, 1995 (60 FR 33849).

The petitioner submitted additional documents and claims that imports of cereal from Mexico impacted sales of the subject firm.

The Department's denial was based on the fact that the increased import criteria (3) and (4) were not met. There was no shift of production from the subject plant to Mexico or Canada, and General Mills did not import breakfast cereal from Mexico or Canada. The Department's survey of General Mills major customers revealed that customers importing ready-to-eat breakfast cereals from Mexico or Canada relied on imports for a very minor portion of their total needs. Most respondents did not import ready-to-eat breakfast cereal from Mexico or Canada.

Findings on reconsideration show that U.S. imports of cereals from Mexico and Canada declined in 1994 compared to 1993, but increased during the 12 month period of April 1994-March 1995 compared to April 1993-March 1994. However, aggregate U.S. imports of cereal from Mexico and Canada are negligible (less than one percent) when compared to General Mills sales and production.

Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for transitional adjustment assistance to workers and former workers of General Mills Incorporated, CFTO-South Chicago Plant, in Chicago, Illinois.

Signed at Washington, DC, this 2nd day of August 1995.

Arlene O'Connor,

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
