

required by section 210 of the Reclamation Reform Act of 1982." Also, according to section 3405(e)(1), these criteria will be developed "* * * with the purpose of promoting the highest level of water use efficiency reasonably achievable by project contractors using best available cost-effective technology and best management practices."

The MP Criteria states that all parties (districts) that contract with Reclamation for water supplies (municipal and industrial contracts greater than 2,000 acre feet and agricultural contracts over 2,000 irrigable acres) will prepare water conservation plans which will be evaluated by Reclamation based on the following required information detailed in the steps listed below to develop, implement, monitor and update their water conservation plans. The steps are:

1. Coordinate with other agencies and the public.
2. Describe the district.
3. Inventory water resources.
4. Review the past water conservation plan and activities.
5. Identify best management practices to be implemented.
6. Develop schedules, budgets and projected results.
7. Review, evaluate, and adopt the water conservation plan.
8. Implement, monitor and update the water conservation plan.

The MP contractors listed below have developed water conservation plans which Reclamation has evaluated and preliminarily determined meet the requirements of the Criteria.

- Banta Carbona Irrigation District
- Carpinteria County Water District
- Central San Joaquin Water

Conservation District

- Glide Water District
- Kanawha Water District
- Madera Irrigation District
- Mercy Springs Water District
- Montecito Water District
- Santa Barbara County Water Agency
- Shafter Wasco Irrigation District

Public comment on Reclamation's preliminary (i.e., draft) determinations at this time is invited. Copies of the plans listed above will be available for review at Reclamation's MP Regional Office and MP's area offices. If you wish to review a copy of the plans, please contact Ms. Goodman to find the office nearest you.

Dated: August 3, 1995.

Dan M. Fults,

Assistant Regional Director.

BILLING CODE 4310-94-M

Competitive Sale of Federal Land

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of realty action.

SUMMARY: The following described land has been identified for disposal under the Act of February 2, 1911 (36 Stat. 895, 43 U.S.C. Section 374), at no less than the appraised fair market value. The Bureau of Reclamation (Reclamation) will accept bids on the lands described below and will reject any bids for less than the appraised value.

DATES: Comments must be submitted on or before September 25, 1995.

Sealed bids will be accepted if received before 10 a.m., Pacific Daylight-Saving Time on October 19, 1995, at which time the sealed bids will be opened.

ADDRESSES: Interested parties may submit comments to the Regional Director, Mid-Pacific Regional Office, Bureau of Reclamation, 2800 Cottage Way, Sacramento, CA 95825-1898.

Sealed bids will be accepted at the Bureau of Reclamation, Lahontan Basin Area Office, 705 N. Plaza Street, Room 338, Carson City, Nevada 89701-4015. The sealed bid sale will be held at the Lahontan Basin Area Office.

FOR FURTHER INFORMATION CONTACT: Rochelle Ames, Realty Specialist, Lahontan Basin Area Office, 705 N. Plaza Street, Carson City, Nevada 89701-4015, telephone number (702) 884-8354.

SUPPLEMENTARY INFORMATION: A tract of land in the Southwest Quarter (SW^{1/4}) of Section 30, Township Nineteen 19 North, Range 29 East, Mount Diablo Base and Meridian, and County of Churchill, State of Nevada, containing an area of 6.353 acres, more or less. The street address of the property is 380 North Taylor Street, Fallon, Nevada 89406.

The tract will be subject to easements or rights-of-way existing or of record in favor of the public as to third parties.

The tract will be offered for sale through the competitive bidding process. The tract will be sold to the highest qualified bidder at no less than the appraised price of \$290,600.00. Sealed bids will be accepted at the Lahontan Basin Area Office, if received before 10 a.m., Pacific Daylight-Saving Time on October 19, 1995. Reclamation may accept or reject any offers, or withdraw any land or interest in land for sale, if, in the opinion of the Authorized Officer, consummation of the sale would not be fully consistent with the Act of February 2, 1911 (36

Stat. 895, 43 U.S.C. Section 374), or other applicable laws. To promote full and free competition, a certificate of independent price determination must accompany each sealed bid included in the bid package. This can be obtained from the Lahontan Basin Area Office.

The tract is within the County of Churchill, State of Nevada. The tract has potential for various industrial or commercial uses. Current land use is for a rail freight loading facility and storage area. The sale is consistent with Reclamation land-use planning. It was decided that the public interest would best be served by offering this land for sale.

Resource clearances consistent with the National Environmental Policy Act requirements have been completed and approved. A Categorical Exclusion checklist has been completed and approved, and is available for public review at the Reclamation's, Lahontan Basin Area Office.

The quitclaim deed issued for the tract sold will be subject to any rights-of-way of record, any public road and utility easements identified by Churchill County, Nevada, if applicable, and a 10-year lease to the City of Fallon, Nevada, expiring January 31, 2000.

Any adverse comments will be evaluated by the Regional Director who may vacate or modify this Realty Action and issue a final determination. In the absence of any action by the Regional Director, this Realty Action will become the final determination of the Department of the Interior.

Dated: July 18, 1995.

Franklin E. Dimick,

Acting Regional Director.
