Alternate III (OCT 1995). As prescribed in 15.106-1(c), delete paragraph (d) of the basic clause and redesignate the remaining paragraphs accordingly.

ACTION: Final rule.

SUMMARY: This final rule is issued pursuant to the Federal Acquisition Streamlining Act of 1994 to (1) identify new Federal Procurement Data System reporting requirements, (2) expand the reasons for establishing or maintaining alternative sources of supplies or services, (3) allow acquisition of expert services to support litigation by other than full and open competition and provide an exception to synopsis requirements, (4) clarify procedures for award to a source identified in a statute, (5) clarify approval authority for use of other than full and open competition, (6) revise procedures for use of source selection evaluation factors in solicitations, for conducting written or

oral discussions, and for providing postaward notices and debriefing to offerors, (7) require a determination that an option is likely to be exercised before providing for evaluation of sealed bid options, (8) allow nonprofit agencies for the blind or severely disabled to use Government supply sources in performing certain Javits-Wagner-O'Day contracts, and (9) make procedures for award without discussion the same for Department of Defense and civilian agencies. SUPPLEMENTARY INFORMATION:

A. Background

The Federal Acquisition Streamlining Act of 1994, Pub. L. 103-355 (the Act), provides authorities that streamline the acquisition process and minimize burdensome Government-unique requirements. Major changes that can be expected in the acquisition process as a result of the Act's implementation include changes in the areas of Commercial Item Acquisition, the Truth in Negotiations Act, and introduction of the Federal Acquisition Computer Network.

This notice announces FAR revisions developed under FAR Case 94-701, Contract Award Implementation, which implements the following sections of the Act:

- Sections 1002 and 1052 amend 10 U.S.C. 2304(b) and 41 U.S.C. 253(b) to—(1) Ensure the continuous availability of a reliable source of supply; (2) satisfy projected needs based on a history of high demand; and (3) satisfy a critical need for medical, safety, or emergency supplies, as reasons for establishing or maintaining alternative sources. (Implementation at FAR 6.202.)
- Sections 1003 and 1053 amend 10 U.S.C. 2304(f)(1)(B)(i) and 41 U.S.C. 253(f)(1)(B)(i) to clarify the approval authority for use of other than full and open competition. (Implementation at FAR 6.304.)
- Sections 1005 and 1055 amend 10 U.S.C. 2304(c)(3) and 41 U.S.C. 253(c) to add the acquisition of expert services for use in any litigation or

dispute involving the Federal Government as an exception to use of full and open competition.

- (Implementation at FAR 6.302-3.)
- Section 1055 also amended 41 U.S.C. 416(c) and 15 U.S.C. 637(c) to provide an exception to the publication of notices in the Commerce Business Daily for acquisition of expert services. (Implementation at FAR 5.201, 5.202, 5.301, and 6.302-3.)
- Sections 1011 and 1061 amend 10 U.S.C. 2305(a) and 41 U.S.C. 253a and 253b to (1) Make procedures for award of contracts without discussion comparable in Department of Defense and civilian agencies, (2) require solicitations for competitive proposals to include all significant factors and subfactors and whether they are more important, of equal importance or less important than cost or price, (3) permit agencies to disclose numerical weights assigned to evaluation factors at their discretion, and (4) allow award without discussion to other than the lowest overall cost offeror. (Implementation at FAR 15.406-5, 15.407, 15.605, 15.610, and 52.215-16.)
- Sections 1012 and 1062 amend 10 U.S.C. 2305(a) and 41 U.S.C. 253a to require a determination that it is likely that an option will be exercised before providing for evaluation of prices of options in solicitations for contracts awarded using sealed bid procedures. (Implementation at FAR 17.202 and 17.208.)
- Sections 1013 and 1063 amend 10 U.S.C. 2305(b) and 41 U.S.C. 253b to require, within three days of contract award, notification to unsuccessful offerors that a contract has been awarded and to allow electronic transmission of the notice. (Implementation at FAR 2.101, 14.408-1, 14.409-1, 15.1002, 15.1003, 25.405, and 36.304.)
- Sections 1014 and 1064 amend 10 U.S.C. 2305(b) and 41 U.S.C. 253b to (1) Allow offerors to request a debriefing within three days of receipt of notice of award and require agencies, to the maximum extent practicable, to conduct the debriefings within five days, and (2) specify minimum requirements for content of the debriefings. (Implementation at FAR 15.1001, 15.1004, 36.607, and 52.215-16.)
- Section 1555 amends 40 U.S.C. 481 to allow nonprofit agencies for the blind or severely disabled providing supplies or services under a Javits-Wagner-O'Day Act contract to use Government supply sources in performing the contract. (Implementation at FAR 51.101 and

51.102.) Other parts of Section 1555 are being implemented separately by GSA (see proposed rule of April 7, 1995, 60 FR 17764).

- Section 7203 amends 10 U.S.C. 2304 and 41 U.S.C. 253 to state Congressional policy regarding legislative requirements for award of a new contract to a specific non-Federal Government entity. (Implementation at FAR 6.302-5.)
- Section 10004 requires the Federal Procurement Data System to collect from contracts in excess of \$25,000 data on awards to small and disadvantaged businesses using either set asides or full and open competition, awards to businesses owned and controlled by women, the number of offers received in response to a solicitation, task or delivery order contracts and contracts for the acquisition of commercial items. (Implementation at FAR 4.601.)

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the regulatory changes contained in the rule relate primarily to the content of solicitations, briefings and notifications to offerors, internal Government procedures, and procedures which apply only to the acquisition of expert services for litigation or to decisions to maintain alternative sources of supply. The rule will increase the amount of pre-award and post-award information provided to the public, but will not have a significant economic impact.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose recordkeeping or information collection requirements, or collections of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Public Comments

Eighteen public comments were received in response to the proposed rule published in the **Federal Register** on January 9, 1995 (60 FR 2472). These comments were considered in formulation of this final rule.

(iii) States that award to that entity shall be made in contravention of the merit-based selection procedures in 10 U.S.C. 2304(j) or section 303(h) of the Federal Property and Administrative Services Act, as appropriate. However, this limitation does not apply—

(i) The dollar amount of the successful bid; and

(ii) The name and address of the successful bidder.

(b) Information included in paragraph (a)(2) of this subsection shall be provided to any unsuccessful bidder upon request except when multiple awards have been made and furnishing information on the successful bids would require so much work as to interfere with normal operations of the contracting office. In such circumstances, only information concerning location of the abstract of offers need be given.

(c) When a request is received concerning an unclassified invitation from an inquirer who is neither a bidder nor a representative of a bidder, the contracting officer should make every effort to furnish the names of successful bidders and, if requested, the prices at which awards were made. However, when such requests require so much work as to interfere with the normal operations of the contracting office, the inquirer will be advised where a copy of the abstract of offers may be seen.

(d) Requests for records shall be governed by agency regulations implementing Subpart 24.2.

14.503-1 [Amended]

14. Section 14.503-1 is amended at the end of paragraph (g) by removing the phrase "(see 15.1003)" and inserting "(see 15.1004)" in its place.

15.412 [Amended]

17. Section 15.412 is amended in the second sentence of paragraph (d) by removing the citation "15.1001(c)(1)" and inserting "15.1002(c)(1)" in its place.

18. Section 15.605 is amended by revising the heading, and paragraphs (a), (b)(1) introductory text, (b)(1)(iii), (b)(2), and (d) to read as follows:

15.605 Evaluation factors and subfactors.

(a) The factors and subfactors that will be considered in evaluating proposals shall be tailored to each acquisition and shall include only those factors that will have an impact on the source selection decision.

(b)(1) The evaluation factors and subfactors that apply to an acquisition and the relative importance of those factors and subfactors are within the broad discretion of agency acquisition officials except that—

* * * * *

(iii) Quality shall be addressed in every source selection through inclusion in one or more of the non-cost evaluation factors or subfactors, such as past performance, technical excellence, management capability, personnel qualifications, prior experience, and schedule compliance.

* * * * *

(2) Any other relevant factors or subfactors, such as cost realism, may also be included.

* * * * *

(d)(1) The solicitation should be structured to provide for the selection of the source whose proposal offers the greatest value to the Government in terms of performance, risk management, cost or price, and other factors. At a minimum, the solicitation shall clearly state the significant evaluation factors, such as cost or price, cost or price-related factors, past performance and other non-cost or non-price-related factors, and any significant subfactors, that will be considered in making the source selection, and their relative importance (see 15.406-5(c)). The solicitation shall inform offerors of minimum requirements that apply to particular evaluation factors and significant subfactors. Further, the solicitation shall state whether all evaluation factors other than cost or price, when combined, are—

(i) Significantly more important than cost or price;

(ii) Approximately equal to cost or price; or

(iii) Significantly less important than cost or price.

(2) The solicitation may elaborate on the relative importance of factors and subfactors at the discretion of the contracting officer. Agencies may elect to assign numerical weights to evaluation factors and employ those weights when evaluating proposals. Numerical weights need not be disclosed in solicitations; however, nothing precludes an agency from disclosing the weights on a case-by-case basis. The solicitation may state that award will be made to the offeror that meets the solicitation's minimum criteria for acceptable award at the lowest cost or price.

* * * * *

15.609 [Amended]

19. Section 15.609 is amended in paragraph (c) by removing "(see 15.1001(b))" and inserting "(see 15.1002(b))" in its place.

20. Section 15.610 is amended by revising paragraphs (a) and (b) to read as follows:

15.610 Written or oral discussion.

(a) The requirement in paragraph (b) of this section for written or oral discussion need not be applied in acquisitions—

(1) In which prices are fixed by law or regulation;

(2) Of the set-aside portion of a partial set-aside; or

(3) In which the solicitation notified all offerors that the Government intends to evaluate proposals and make award without discussion, unless the contracting officer determines that

discussions (other than communications conducted for the purpose of minor clarification) are considered necessary (see 15.407(d)(4)). Once the Government states its intent to award without discussion, the rationale for reversal of this decision shall be documented in the contract file.

(b) Except as provided in paragraph (a) of this section, the contracting officer shall conduct written or oral discussions with all responsible offerors who submit proposals within the competitive range. The content and extent of the discussions is a matter of the contracting officer's judgment, based on the particular facts of each acquisition (but see paragraphs (c) and (d) of this section).

* * * * *

21. Section 15.612 is amended by revising paragraph (f) to read as follows:

15.612 Formal source selection.

* * * * *

(f) *Postaward notices and debriefings.* See 15.1002(c) and 15.1004.

15.1001 through 15.1005 [Redesignated as 15.1002 through 15.1006]

22. Sections 15.1001 through 15.1005 are redesignated as 15.1002 through 15.1006, respectively; and a new 15.1001 is added to read as follows:

15.1001 General.

This subpart applies to the use of competitive proposals, as described in 6.102(b), and a combination of competitive procedures, as described in 6.102(c). To the extent practicable, however, the procedures and intent of this subpart, with reasonable modification, should be followed for acquisitions described in 6.102(d): broad agency announcements, small business innovation research contracts, and architect-engineer contracts. However, they do not apply to multiple award schedules, as described in 6.102(d)(3).

23. Newly designated section 15.1002 is amended by revising paragraph (a), and the introductory text of paragraph (b)(2); by removing paragraph (c)(2) and redesignating paragraph (c)(3) as (c)(2); and by amending the newly designated paragraph (c)(2) by removing "15.1001(c)(1)(i)" and inserting "15.1002(c)(1)(i)". The revised text reads as follows:

15.1002 Notifications to unsuccessful offerors.

(a) *General.* Within three days after the date of contract award, the contracting officer shall notify, in writing or electronically, each offeror whose proposal is determined to be

unacceptable or whose offer is not selected for award. "Day," for purposes of the notification process, means calendar day, except that the period will run until a day which is not a Saturday, Sunday, or legal holiday.

(b) * * *

(2) In a small business set-aside (see Subpart 19.5), upon completion of negotiations and determinations of responsibility, but prior to award, the contracting officer shall notify each unsuccessful offeror in writing or electronically of the name and location of the apparent successful offeror. The notice shall also state that:

* * * * *

24. Newly designated section 15.1003 is amended by revising the first sentence to read as follows:

15.1003 Notification to successful offeror.

The contracting officer shall award a contract with reasonable promptness to the successful offeror (selected in accordance with 15.611(d)) by transmitting written or electronic notice of the award to that offeror (but see 15.608(b)). * * *

25. Newly designated section 15.1004 is revised to read as follows:

15.1004 Debriefing of offerors.

(a) When a contract is awarded on the basis of competitive proposals, an offeror, upon its written request received by the agency within three days after the date on which that offeror has received notice of contract award, shall be debriefed and furnished the basis for the selection decision and contract award. When practicable, debriefing requests received more than three days after the offeror receives notice of contract award shall be accommodated. However, accommodating such untimely debriefing requests does not extend the time within which suspension of performance can be required, as this accommodation is not a "required debriefing" as described in FAR Part 33. To the maximum extent practicable, the debriefing should occur within five days after receipt of the written request. "Day," for purposes of the debriefing process, means calendar day, except that the period will run until a day which is not a Saturday, Sunday, or legal holiday.

(b) Debriefings of successful and unsuccessful offerors may be done orally, in writing, by electronic means, or any other method acceptable to the contracting officer.

(c) The contracting officer should normally chair any debriefing session held. Individuals actually responsible for the evaluations shall provide

support. If the contracting officer is unavailable, another agency representative may be designated by the contracting officer on a case-by-case basis, with the approval of an individual a level above the contracting officer.

(d) At a minimum, the debriefing information shall include—

(1) The Government's evaluation of the significant weaknesses or deficiencies in the offeror's proposal, if applicable;

(2) The overall evaluated cost or price and technical rating, if applicable, of the successful offeror and the debriefed offeror;

(3) The overall ranking of all offerors when any ranking was developed by the agency during the source selection;

(4) A summary of the rationale for award;

(5) For acquisitions of commercial end items, the make and model of the item to be delivered by the successful offeror; and

(6) Reasonable responses to relevant questions about whether source selection procedures contained in the solicitation, applicable regulations, and other applicable authorities were followed.

(e) The debriefing shall not include point-by-point comparisons of the debriefed offeror's proposal with those of other offerors. Moreover, debriefing shall not reveal any information exempt from release under the Freedom of Information Act including—

(1) Trade secrets;

(2) Privileged or confidential manufacturing processes and techniques;

(3) Commercial and financial information that is privileged or confidential, including cost breakdowns, profit, indirect cost rates, and similar information; and

(4) The names of individuals providing reference information about an offeror's past performance.

(f) The contracting officer shall include an official summary of the debriefing in the contract file.

(g) If, within one year of contract award, a protest causes the agency to issue either a new solicitation or a new request for best and final offers on the protested contract award, the agency shall make available to all prospective offerors—
