DEPARTMENT OF THE TREASURY

[Treasury Order Number 100-13]

Delegation of Authority Related to the Community Adjustment and Investment Program in Support of NAFTA, and Designation of Representative on the Community Adjustment and Investment Program Finance Committee

Dated: August 17, 1995.

By virtue of the authority vested in the Secretary of the Treasury, including the authority in 31 U.S.C. 321(b), it is hereby ordered as follows:

1. Delegation of Authority.

a. I delegate to the Under Secretary (Domestic Finance) all duties, powers, rights and obligations delegated to the Secretary of the Treasury by sections 4 and 5 of Executive Order No. 12916, dated May 13, 1994, ("the Executive Order") relating to implementing the Community Adjustment and Investment Program ("the Program") authorized by the North American Free Trade Agreement Implementation Act (Pub. L. 103-182, 107 Stat. 2057).

b. This authority may be redelegated in writing to an appropriate subordinate official.

2. Designation of Treasury Representative.

a. I designate the Under Secretary (Domestic Finance) as the Department of the Treasury representative on the Community Adjustment and Investment Program Finance Committee established by section 7 of the Executive Order to administer the Program.

b. This designation may be delegated in writing to an appropriate subordinate official.

Robert E. Rubin,

Secretary of the Treasury.

BILLING CODE 1505-01-M

Office of Thrift Supervision

[No. 95-157]

Proposed Reduction of Data Collected on the Thrift Financial Report

AGENCY: Office of Thrift Supervision, Treasury.

ACTION: Notice; request for comment.

SUMMARY: The Office of Thrift Supervision (OTS) requests comment on a proposal to fully consolidate and substantially reduce the amount of data submitted on the quarterly Thrift Financial Report (TFR). A streamlined, consolidated TFR has been developed in an effort to reduce the thrift industry's regulatory reporting burden while ensuring that the OTS will still collect information necessary to monitor safety and soundness. The effective date for the streamlined TFR would be June 1996.

DATES: Comments must be received on or before October 23, 1995.

ADDRESSES: Send comments to Chief, Dissemination Branch, Thrift Supervision, 1700 G Street, NW., Washington DC 20552, Attention Docket No. 95-157. These submissions may be hand delivered to 1700 G Street NW. from 9:00 a.m. to 5:00 p.m. on business days; they may be sent by facsimile transmission to FAX Number (202) 906-

7755. Comments will be available for inspection at 1700 G Street NW., from 1:00 p.m. until 4:00 p.m. on business days.

FOR FURTHER INFORMATION CONTACT: Patrick G. Berbakos, Assistant Director, Financial Reporting Division, (202) 906-6720, or Catherine Shepard, Senior Attorney, Regulations and Legislation Division, Office of Chief Counsel (202) 906-7275; Office of Thrift Supervision, 1700 G Street NW., Washington, D.C. 20552.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce the regulatory burden for the thrift industry, the OTS proposes to significantly streamline the TFR beginning in June 1996. The agency, after consulting with its Washington and Regional examination, supervisory, and legal staff, has identified several TFR schedules and over 300 lines of data that can be eliminated. More than half of these items are being deleted as a result of converting the TFR into a fully consolidated format. Today OTS is seeking public comment on whether these proposed eliminations will reduce long-term regulatory costs and burdens for the industry and be consistent with safety and soundness and other public policy objectives.

I. Background

The OTS has implemented a number of program changes during the past three years in an effort to enhance the efficiency of the financial reporting process, reduce the industry's reporting burden, increase customer service, and reduce the costs for both the industry and the OTS. The program changes included the elimination of the monthly data collection for the TFR, amending the reporting schedule to provide additional time for report preparation, and providing the industry with electronic filing software that facilitates the electronic preparation and filing of all regulatory reports.

II. Description of Proposed Changes to 1996 TFR

After reviewing its current supervisory and examination needs, the OTS is proposing to eliminate 324 lines of data currently collected on the TFR. This decrease represents 40 percent of the TFR, exclusive of Schedule CMR, which is unaffected by this proposal. Lines of data and schedules that are no longer necessary because of changes in the industry's portfolio or OTS's supervisory priorities will no longer be collected. Only data that remain critical to meet supervisory needs, statutory
