Effluent Guidelines Task Force Open Meeting

AGENCY: Environmental Protection Agency.

ACTION: Notice of meeting.

SUMMARY: The Effluent Guidelines Task Force, an EPA advisory committee, will

hold a meeting to discuss improvements to the Agency's Effluent Guidelines Program. The meeting is open to the public.

DATES: The meeting will be held on Tuesday, September 12, 1995, from 9:00 a.m. to 5:00 p.m., and Wednesday, September 13, 1995, from 9:00 a.m. to 3:00 p.m.

ADDRESSES: The meeting will take place at the Dupont Plaza Hotel, 1500 New Hampshire Avenue, NW., Washington, DC.

FOR FURTHER INFORMATION CONTACT:

Debra DiCianna, Acting Effluent Guidelines Task Force Director, Office of Water (4303), 401 M Street SW., Washington, DC 20460; telephone 202-260-7141, fax 202-260-7185.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act (Pub. L. 92-463), the Environmental Protection Agency gives notice of a meeting of the Effluent Guidelines Task Force (EGTF). The EGTF is a subcommittee of the National Advisory Council for Environmental Policy and Technology (NACEPT), the external policy advisory board to the Administrator of EPA.

The EGTF was established in July of 1992 to advise EPA on the Effluent Guidelines Program, which develops regulations for dischargers of industrial wastewater pursuant to Title III of the Clean Water Act (33 U.S.C. 1251 *et seq.*). The Task Force consists of members appointed by EPA from industry, citizen groups, state and local government, the academic and scientific communities, and EPA regional offices. The Task Force was created to offer advice to the Administrator on the long-term strategy for the effluent guidelines program, and particularly to provide recommendations on a process for expediting the promulgation of effluent guidelines. The Task Force generally does not discuss specific effluent guideline regulations currently under development.

The meeting agenda will include a presentation to EPA Office of Water management on work group recommendations and a discussion of remaining issues from previous work group recommendations which have not been adopted. Much of the meeting time will be set aside as working time for the three work groups: selecting industries for regulation, co-regulation (cross-media); and pretreatment (pass-through determination).

The meeting will be open to the public. Limited seating for the public is available on a first-come, first-served basis. The public may submit written comments to the Task Force regarding

improvements to the Effluent Guidelines program. Comments should be sent to Debra DiCianna at the above address. Comments submitted by September 5 will be considered by the Task Force at or subsequent to the meeting.

Dated: August 16, 1995.

Eric Strassler,

Designated Federal Official.
