DEPARTMENT OF AGRICULTURE

Rural Utilities Service

Brazos Electric Power Cooperative, Inc.; Finding of No Significant Impact

AGENCY: Rural Utilities Service, USDA.

ACTION: Notice of finding of no significant impact.

SUMMARY: Notice is hereby given that the Rural Utilities Service (RUS) has made a finding of no significant impact (FONSI) with respect to the potential environmental impact related to the construction of new headquarters and related facilities proposed by Brazos Electric Power Cooperative, Inc. (Brazos), of Waco, Texas. The proposed project will be located on a site adjacent to Interstate Highway 35 approximately 0.5 miles north of the City of Lorena and 5.7 miles south of the City of Waco in McLennan County, Texas.

RUS has concluded that the environmental impacts from the proposed project would not be significant and that the proposed action is not a major Federal action significantly affecting the quality of the human environment. Therefore, the preparation of an environmental impact statement is not required.

FOR FURTHER INFORMATION CONTACT: Lawrence R. Wolfe, Chief, Environmental Compliance Branch, Electric Staff Division, room 1246, Ag Box 1569, South Agriculture Building, RUS, Washington, DC 20250, telephone (202) 720-1784.

SUPPLEMENTARY INFORMATION: RUS, in accordance with its environmental policies and procedures, required that Brazos prepare a Borrower's Environmental Report (BER) reflecting the potential impacts of the proposed facilities. The BER, which includes input from Federal, State and local agencies and the public, has been adopted as RUS' Environmental Assessment for the project in

accordance with 7 CFR 1794.61. RUS has concluded that the BER represents an accurate assessment of the environmental impacts of the project. The proposed project should have no impact on cultural resources, floodplains, wetlands, important farmland, and federally listed or proposed for listing threatened or endangered species or their critical habitat.

Alternatives considered to the project included no action, expansion of Brazos' existing headquarters facility, purchase and renovation of other existing area commercial buildings, and alternative sites. RUS has considered these alternatives and concluded that the project as proposed meets the needs of Brazos to reduce overcrowding at the present facility, provide increased space for equipment storage, consolidate operations done at various existing facilities and provide adequate space for future expansion.

Copies of the BER and FONSI are available for review at RUS at the address provided herein; or can be reviewed at or obtained from the offices of Brazos, 2404-12 LaSalle Avenue, Waco, Texas 76706, telephone (817) 750-6500, during normal business hours.

Dated: August 21, 1995.

Adam M. Golodner,

Deputy Administrator, Program Operations.
