National Business Partners' Program

AGENCY: Postal Service.

ACTION: Notice of program.

SUMMARY: The U.S. Postal Service has implemented the National Business Partners' Program for developing working relationships between its Postal Business Centers (PBCs) and local service vendors. This program should generate additional business activity in mailing-related industries while increasing awareness of postal products and services. The Business Partners' Program includes a seminar on postal products and services that is required for vendors interested in participating. This seminar provides vendors with a better understanding of how the PBCs can support their efforts to expand business.

EFFECTIVE DATES: October 5 through November 30, 1995; January 2 through February 29, 1996.

FOR FURTHER INFORMATION CONTACT: Your local post office for the telephone number of the nearest Postal Business Center; or the Postal Service National Customer Support Center, 1-800-238-3150.

SUPPLEMENTARY INFORMATION: The Postal Service has developed the National Business Partners' Program as a means of identifying local service vendors that can help potential business mailers

learn how to benefit from using the mail, lower their postage costs, and prepare their mail more efficiently. Relationships with business partners have been successfully established at the national and local level. The objective of the Postal Service is to develop and maintain these relationships in order to increase mail volume and mutual revenues.

The Business Partners' Program is available through the Postal Service's network of Postal Business Centers in 100 locations nationwide. Prospective partners are third-party vendors that can offer business mailers such services as printing, presorting, prebarcoding, addressing, and direct mail marketing. Business partners are strong influencers of the customer base of the Postal Service and are frequently stakeholders in the entire postal distribution and delivery process. Postal Business Centers are currently identifying local vendors and mailing to them information about the program.

The program requires vendors to attend a three-part seminar that covers mailpiece design, basics of postage discount programs, and value-added products and services. Participation in the seminar enhances a vendor's knowledge of postal products and mailing requirements, while developing a working relationship with the local Postal Business Centers. Each participant in the program will receive a seminar certificate, valid for 1 year. Participation in a Business Partners' seminar costs \$40 for each attendee. Group rates and on-site rates are also available.

After completing the seminar, participating vendors become eligible to be listed in a local Business Partners' directory. Customers seeking assistance in fulfilling their mailing needs can use the directory as a reference to find vendors that specialize in mailing-related services. These directories will be distributed at scheduled Ad Mail and other customer education seminars. The validation period for a directory listing will be 1 calendar year, and vendors will be required to attend the three-part seminar every year to maintain a listing in the directory.

The Business Partners' program is one of many services provided by the Postal Business Centers for local business mailers. Consultants are on hand at the Postal Business Centers to help mailers learn how to qualify for discounted

postage rates and use the postal system more efficiently.
