

jurisdictional customers, interested state regulatory agencies and all parties on the official service list.

As agreed by the parties at the August 3, 1995, technical conference, parties will address the *pro forma* tariff sheets in initial comments to be filed August 30, 1995 (in-hand date) and reply comments to be filed September 8, 1995.

Any person desiring to protest Sixth Revised Volume No. 1, First Revised Sheet No. 204A should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before August 30, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. PR95-17-000]

Olympic Pipeline Co.; Notice of Petition for Rate Approval

August 23, 1995.

Take notice that on August 4, 1995, Olympic Pipeline Company (Olympic), filed pursuant to Section 284.123(b)(2) of the Commission's Regulations, a petition for rate approval requesting that the Commission approve as fair and equitable a firm transportation reservation charge of \$2.5222 per MMBtu and a 100 percent load factor interruptible transportation charge of \$0.08292 per MMBtu for transportation services performed by Olympic through its Cajun system under Section 311(a)(2) of the Natural Gas Policy Act of 1978 (NGPA).

Olympic states that it is an intrastate pipeline within the meaning of Section 2(16) of the NGPA and it owns and operates an intrastate pipeline system in the State of Louisiana. Olympic proposes an effective date of August 4, 1995.

Pursuant to Section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the filing date, the rate will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to

the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene in accordance with Sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedures. All motions must be filed with the Secretary of the Commission on or before August 31, 1995. The petition for rate approval is on file with the Commission and is available for public inspection.

Sonat Power Marketing Inc.; Notice of Issuance of Order

[Docket No. ER95-1050-000]

August 24, 1995.

On May 16, 1995, as amended June 13, 1995, Sonat Power Marketing Inc. (SPM) submitted for filing a rate schedule under which SPM will engage in wholesale electric power and energy transactions as a marketer. SPM also requested waiver of various Commission regulations. In particular, SPM requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by SPM.

On August 18, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by SPM should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, SPM is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of SPM's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene

or protests, as set forth above, is September 18, 1995.

Copies of the full text of the order are available from the Commission's Public Reference Branch, Room 3308, 941 North Capitol Street, N.E., Washington, DC 20426.

[Docket No. CP95-691-000]

Tennessee Gas Pipeline Co.; Notice of Request Under Blanket Authorization

August 23, 1995.

Take notice that on August 17, 1995, Tennessee Gas Pipeline Company (Tennessee), P.O. Box 2511, Houston, Texas 77252, filed in Docket No. CP95-691-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.216) for authorization to abandon by removal a sales tap and meter facility located in Madison County, Kentucky under Tennessee's blanket certificate issued in Docket No. CP82-413-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Tennessee proposes to abandon by removal the facility at the Richmond Emergency Sales Meter Station No. 2-0503 located in Madison County, Kentucky. Tennessee states that the sales meter station was placed in service in November, 1970 to be used as an emergency delivery point on Tennessee's system to provide backup protection for natural gas service Columbia Gas Transmission Corporation (Columbia) (formerly United Fuel Gas Company) was rendering in the Lexington, Kentucky area. Tennessee states that this facility has been inactive since March, 1988. Columbia, the only customer served by the facility prior to the meter becoming inactive, consented to the abandonment and removal by signature dated July 12, 1995.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to

be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
