AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of request for extension of OMB approval.

SUMMARY: This notice advises the public that the Pension Benefit Guaranty Corporation has requested an extension of the approval by the Office of Management and Budget for the collection of information contained in its regulations on Distress Terminations of Single-Employer Plans (29 CFR part 2616) and Standard Terminations of Single-Employer Plans (29 CFR part 2617) and implementing forms and

instructions. Current approval of this collection of information expires on December 31, 1995.

ADDRESSES: All written comments should be addressed to: Office of Management and Budget, Paperwork Reduction Project, Washington, DC 20503. The request for approval will be available for public inspection at the PBGC's Communications and Public Affairs Department, Suite 240, 1200 K Street, NW., Washington, DC 20005-4026.

FOR FURTHER INFORMATION CONTACT: Harold J. Ashner, Assistant General Counsel, Catherine B. Klion, Attorney, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026; telephone 202-326-4024 (202-326-4179 for TTY and TDD).

SUPPLEMENTARY INFORMATION: The PBGC is requesting that the Office of Management and Budget extend for three years its approval of the collection of information contained in the PBGC's regulations on Distress Terminations of Single-Employer Plans (29 CFR part 2616) and Standard Terminations of Single-Employer Plans (29 CFR part 2617) and implementing forms and instructions.

Under section 4041 of the Employee Retirement Income Security Act of 1974, as amended (19 U.S.C. 1341), a single-employer pension plan may terminate voluntarily only if it satisfies the requirements for either a standard or a distress terminations, and section 4041(c), for distress terminations, a plan administrator wishing to terminate a plan is required to submit specified information to the PBGC in support of the proposed termination and to provide specified information regarding the proposed termination to third parties (participants, beneficiaries, alternate payees, and employee organizations).

The PBGC needs the required information to enable it to ensure compliance with the statutory and regulatory requirements for terminations and to determine whether a particular termination may be completed. Third parties need the required information for that they will be informed about the status of their plan's proposed termination and about their benefits upon termination.

The disclosures to third parties contained in this collection of information currently are not subject to the requirements of the Paperwork Reduction Act (*Dole v. United Steelworkers of America*, 494 U.S. 26 (1990)). However, under recent legislation, the Paperwork Reduction Act of 1995 (Pub. L. No. 104-13, 109

Stat. 163 (1995)), these disclosures will be subject to those requirements effective October 1, 1995.

The PBGC estimates that, over the next three years, 5000 plans terminating in standard terminations and 40 plans terminating in distress terminations will be subject to this collection of information annually. The PBGC further estimates that the annual burden of this collection of information will average 6.48 hours per plan, with an average total annual burden of 32,653 hours.

Issued at Washington, DC this 24th day of Aug., 1995.

Martin Slate,

Executive Director, Pension Benefit Guaranty Corporation.

This notice announces that the Postal Service has adopted this interim edition with additional minor revisions.

FOR FURTHER INFORMATION CONTACT: Robert Bokor, (212) 613-8739.

SUPPLEMENTARY INFORMATION: Publishers are required each year to provide the Postal Service certain information by October 1 for each of their publications authorized second-class mail privileges. National Business Partners' Program

AGENCY: Postal Service.

ACTION: Notice of program.

SUMMARY: The U.S. Postal Service has implemented the National Business Partners' Program for developing working relationships between its Postal Business Centers (PBCs) and local service vendors. This program should generate additional business activity in mailing-related industries while increasing awareness of postal products and services. The Business Partners' Program includes a seminar on postal products and services that is required for vendors interested in participating. This seminar provides vendors with a better understanding of how the PBCs can support their efforts to expand business.

EFFECTIVE DATES: October 5 through November 30, 1995; January 2 through February 29, 1996.

FOR FURTHER INFORMATION CONTACT: Your local post office for the telephone number of the nearest Postal Business Center; or the Postal Service National Customer Support Center, 1-800-238-3150.

SUPPLEMENTARY INFORMATION: The Postal Service has developed the National Business Partners' Program as a means of identifying local service vendors that can help potential business mailers

learn how to benefit from using the mail, lower their postage costs, and prepare their mail more efficiently. Relationships with business partners have been successfully established at the national and local level. The objective of the Postal Service is to develop and maintain these relationships in order to increase mail volume and mutual revenues.

The Business Partners' Program is available through the Postal Service's network of Postal Business Centers in 100 locations nationwide. Prospective partners are third-party vendors that can offer business mailers such services as printing, presorting, prebarcoding, addressing, and direct mail marketing. Business partners are strong influencers of the customer base of the Postal Service and are frequently stakeholders in the entire postal distribution and delivery process. Postal Business Centers are currently identifying local vendors and mailing to them information about the program.

The program requires vendors to attend a three-part seminar that covers mailpiece design, basics of postage discount programs, and value-added products and services. Participation in the seminar enhances a vendor's knowledge of postal products and mailing requirements, while developing a working relationship with the local Postal Business Centers. Each participant in the program will receive a seminar certificate, valid for 1 year. Participation in a Business Partners' seminar costs \$40 for each attendee. Group rates and on-site rates are also available.

After completing the seminar, participating vendors become eligible to be listed in a local Business Partners' directory. Customers seeking assistance in fulfilling their mailing needs can use the directory as a reference to find vendors that specialize in mailing-related services. These directories will be distributed at scheduled Ad Mail and other customer education seminars. The validation period for a directory listing will be 1 calendar year, and vendors will be required to attend the three-part seminar every year to maintain a listing in the directory.

The Business Partners' program is one of many services provided by the Postal Business Centers for local business mailers. Consultants are on hand at the Postal Business Centers to help mailers learn how to qualify for discounted

postage rates and use the postal system more efficiently.
