For address records requiring corrections, provide the original depiction of the address in the Other Descriptive Information space allotment (character positions 112-end); this will significantly help the Census Bureau's efforts to identify and remove the superseded version of the address and avoid delivery of more than one questionnaire to the same household.

#### U.S.-Argentina Business Development Council—Commercial Law Initiative

**AGENCY:** International Trade Administration, Commerce.

**ACTION:** Notice of Opportunity to Participate in Commercial Law Initiative.

**SUMMARY:** On January 25, 1995, Secretary of Commerce Ronald H. Brown and Argentine Minister of Economy and Public Works and Services Domingo Cavallo signed Terms of Reference establishing the United States-Argentina Business Development Council ("BDC"). The purpose of the BDC, a bilateral, public-private sector council, is to provide a forum for cooperation through which U.S. and Argentine public and private sector representatives can exchange information on commercial matters and encourage discussion on various themes related to bilateral business development and trade promotion. The BDC is comprised of a U.S. section and an Argentine section. The U.S. section is comprised of U.S. government officials and Chief Executive Officers and other top management level employees of U.S. companies with commercial interest in and experience with Argentina. The activities of the BDC may include, but are not limited to, the following: identifying commercial opportunities, impediments and issues of concern to the U.S. and Argentine business communities; improving dissemination of information on U.S.-Argentine market opportunities; developing sectoral or project oriented approaches to expanding business opportunities; implementing trade and business development programs; and other appropriate steps to foster commercial relations between the

United States and Argentina. To implement these activities, the BDC has formed various working groups, one of which is the Commercial Law Working Group ("Law Group"). The Law Group intends to implement a cooperative work program called the Commercial Law Initiative or CLI, including information exchange activities and legal seminars.

**DATES:** In order to receive full consideration, comments must be received no later than: September 13, 1995.

**ADDRESSES:** Ursula Odiaga Iannone, Attorney-Advisor, Office of the Chief Counsel for International Commerce, U.S. Department of Commerce, Room 5624, 14th and Constitution Avenue N.W., Washington, DC 20230; FAX (202) 482-4076.

#### SUPPLEMENTARY INFORMATION:

##### Commercial Law Initiative

The Law Group is co-chaired by the General Counsel of the Department of Commerce and the Undersecretary of Legal Affairs of the Argentine Ministry of Economy and Public Works and Services. The Law Group intends to implement a cooperative work program, the Commercial Law Initiative, to increase mutual understanding of the U.S. and Argentine legal systems as they affect U.S.-Argentine bilateral commerce ("commercial law"). Possible avenues of cooperation include: (1) Activities to exchange information on commercial law developments, practice and methods, e.g., legal seminars and exchanges of legal experts; (2) cross dissemination of commercial laws of each country; (3) establishing a repository for laws, international conventions and agreements and other legal materials; and (4) stimulating, supporting and monitoring cooperation and direct contacts between concerned organizations, enterprises, private sector attorneys and members of academia of both countries in the area of commercial law.

##### Legal Seminar

As part of the CLI, the Law Group plans to conduct at least two legal seminars, first in Argentina and then in the United States. In accordance with the public sector-private sector partnership embodied in the BDC, the seminars will be organized by the

Department of Commerce and the Argentine Ministry of Economy and Public Works and Services and co-sponsored and largely staffed by private sector attorneys from both countries who are experts in the priority topics to be covered. It is anticipated that the first seminar will take place in Argentina in March of 1996 and the second seminar will be held in the United States in the Fall of 1996. Legal seminar participants may be speakers, audience members and/or drafters of issue papers and will be required to pay a participation fee. As described below, the BDC will identify priority legal issues to be covered by the Law Group and in the legal seminars. The Department of Commerce Office of General Counsel will develop participation criteria for the legal seminars based in part on the priority legal issues identified as discussed below.

##### Opportunity to Provide Input on Priority Legal Issues

As a first step in the CLI, the Co-Chairs of the Law Group will exchange letters identifying and prioritizing the issues that their respective BDC sections desire to be addressed in the following 18 months by the Law Group. It is anticipated that this exchange will occur in September of 1995. The General Counsel of the Department of Commerce is accepting comments concerning the identification of priority issues to be raised by the U.S. section of the BDC. To identify legal issues relevant to conducting commercial relations with Argentina, please mail or FAX your comments to Ms. Iannone as indicated in the **ADDRESSES** section above.
