Alabama-Tennessee Natural Gas Company; Notice of Proposed Change in FERC Gas Tariff

August 29, 1995.

Take notice that Alabama-Tennessee Natural Gas Company (Alabama-Tennessee) on August 23, 1995, tendered for filing the following revised tariff sheets to its FERC Gas Tariff, Second Revised Volume No. 1:

Sub. 3rd Revised Sheet No. 4A

Alabama-Tennessee proposes that this tariff sheet be made effective September 1, 1995.

According to Alabama-Tennessee, the purpose of this submission is to correct the filing made by Alabama-Tennessee on August 1, 1995 in the above-referenced docket. In particular, Alabama-Tennessee determined that it had not properly reflected the crediting of take-or-pay costs with respect to one of its customers, the Packaging Corporation of America ("PCA"). Alabama-Tennessee states that the instant filing properly accounts for the increase in take-or-pay charges billed Alabama-Tennessee by its upstream pipeline supplier, Tennessee Gas Pipeline Company, and allocated to PCA, as the same is affected by the discount Alabama-Tennessee is providing PCA and the limitations imposed by the settlement in Docket No. RP91-103 which the Commission approved on October 17, 1991.

Alabama-Tennessee requests that the Commission grant such waivers as may be required to accept and approve its filing as submitted.

Alabama-Tennessee states that copies of its filing were served upon the Company's jurisdictional customers and interested public bodies as well as all the parties shown on the Commission's official service list established in this proceeding.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Rule 211 or Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before September 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make

protestants parties to the proceeding. Any person wishing to become a party to the proceeding must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
