**Initiation of Antidumping Duty Administrative Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Initiation of Antidumping Duty Administrative Reviews of Cold-Rolled and Corrosion Resistant Carbon Steel Flat Products and Certain Cut-To-Length Carbon Steel Plate from Various Countries.

**SUMMARY:** The Department of Commerce (the Department) has received requests to conduct administrative reviews of antidumping duty orders on cold-rolled and corrosion resistant carbon steel flat products and certain cut-to-length carbon steel plate from various countries with August anniversary dates. In accordance with the Department's Regulations, we are initiating these administrative reviews.

**EFFECTIVE DATE:** September 8, 1995.

**FOR FURTHER INFORMATION CONTACT:**

Linda Ludwig or Jean Kemp, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-3833 or 482-4037, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department has received timely requests, in accordance with 19 C.F.R. 353.22(a) and 355.22(a) (1994), for administrative reviews of various antidumping duty orders with August anniversary dates.

In contrast to the investigation and first administrative review, we are not establishing a lead case for each country, because there are fewer products under antidumping duty orders than were included in the investigation and we believe the normal procedures will be more convenient for analysts and interested parties. Parties should file their submissions under the case numbers for the appropriate country and class or kind of merchandise listed below. In addition, having found them unnecessary and duplicative, the Department is eliminating the General Issue files for this review.

**Initiation of Reviews**

In accordance with sections 19 C.F.R. 353.22(c) and 355.22(c), we are initiating administrative reviews of the following antidumping duty orders. We intend to issue the final results of these reviews not later than August 31, 1996. The following list consists of administrative reviews requested. However, the Department may determine at a later date to collapse some related parties.
