#### Temporary Travel Restrictions for the Serviceberry Mountain Area of Colorado

**AGENCY:** Bureau of Land Management, Department of the Interior.

**ACTION:** Order of Area, Road and Trail Use Restriction.

**SUMMARY:** This order closes certain public lands to motorized vehicle use (except snowmobiles) in the Serviceberry Mountain area of the Little Snake Resource Area, Craig district. This order modifies the "unclassified" Off-Highway Vehicle (OHV) designation (3,108 acres) on public lands newly acquired through the Bridges Land Exchange (COC54336). It also modifies the existing "open" (3,246 acres) and "limited" (1440 acres) OHV designations on public lands adjoining the public lands acquired through the exchange. This order is issued under the authority of 43 CFR 8364.1 and 43 CFR 8341.2(a) as a temporary measure while the off-highway vehicle (OHV) management portion of the Little Snake Resource Area Resource Management Plan is reviewed and modified as needed to address public issues, concerns and needs, as well as resource uses, development, impacts and protection.

#### This Order Affects All Public Lands in the Serviceberry Mountain Area of Moffat County Within

**EFFECTIVE DATES:** This restriction order shall be effective September 14, 1995, and shall remain in effect until rescinded or modified by the Authorized Officer.

**SUPPLEMENTARY INFORMATION:** Current OHV use designations for public lands in the Serviceberry Mountain area, allow motorized vehicle use on and off

roads and trails year round or limit motorized vehicle use to all-terrain vehicles and snowmobiles. State and local agencies and neighboring landowners expressed concerns that recent easements and acquisitions would open public lands in the Serviceberry Mountain area to motorized traffic and cause unacceptable impacts to natural resources, especially wildlife and soils.

In addition, consistent motor vehicle limitations are needed throughout the adjoining public lands in the Serviceberry Mountain area to avoid public confusion. The affected public lands includes identified soil erosion hazards and important high quality big game habitat.

Given due consideration of the concerns expressed by the public and potential impacts of unrestricted motorized vehicle use, a modification of existing OHV use designations is necessary to adequately protect natural resources on public land, minimize conflicts with other uses, prevent trespass problems, and ensure public safety until these issues can be more thoroughly addressed in activity planning for these areas. Provisions will be made to allow for necessary motorized travel on the public lands for administrative purposes and to facilitate non-motorized public access to the public lands.

The area, roads, and trails affected by this order will be posted with appropriate regulatory signs. Information, including detailed maps of the restricted area, roads and trails will be available at the access sites and in the Resource Area Office and District Office at the addresses shown below.

Persons who are exempt from the restrictions contained in this notice include:

1. Any Federal, State, or local officers engaged in fire, emergency and law enforcement activities.
2. BLM employees engaged in official duties.
3. Persons or agencies holding a valid permit or right-of-way on or across the restricted public land for access to private land, for purposes related to the access of private land only.
4. Persons or agencies holding a special use permit or right-of-way for access to maintenance and operation of authorized facilities within the restricted area, for purposes related to access for maintenance and operation of authorized facilities, and provided such motorized use is limited to the routes specifically identified in the special use permit or right-of-way.
5. Grazing permittees authorized during the permitted grazing season for

grazing related purposes provided such motorized use is limited to existing roads and trails and subject to any additional conditions in the grazing permit. Any motorized use before or after the permitted grazing season necessary for maintenance and operation of range facilities shall require advance approval by the authorized officer specifically authorizing such use and subject to whatever restrictions are deemed necessary.

**Penalties:** Violations of this restriction order are punishable by fines not to exceed \$1,000 and/or imprisonment not to exceed 12 months.
