Foreign-Trade Zones Board

[Docket 49-95]

Proposed Foreign-Trade Zone—St. Lucie County, FL; Application and Public Hearing

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Central Florida Foreign-Trade Zone, Inc. (a not-for-profit corporation), to establish a general-purpose foreign-trade zone at sites in St. Lucie County, Florida, within the limits of the Fort Pierce Customs Station, which, with Customs concurrence, is considered the functional equivalent of a Customs port of entry for purposes of foreign-trade zone status. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on August 31, 1995. The applicant is authorized to make the proposal under Section 288.36, Florida Statutes Annotated.

The proposed new zone would consist of 3 sites (1,588 acres) in St. Lucie County: *Site 1* (1,078 acres)—St. Lucie County International Airport; *Site 2* (102 acres)—King's Highway Industrial Park, intersection of King's Highway and Commercial Circle, Fort Pierce; and, *Site 3* (408 acres)—St. Lucie West Commerce Park, 590 N.W. Peacock Blvd., Port St. Lucie.

The application contains evidence of the need for zone services in the St. Lucie County area. Several firms have indicated an interest in using zone procedures for warehousing/distribution of such items as machine tools, electronic components, medical equipment, food processing/manufacturing, aircraft manufacture, and boat building/marine industry. Specific manufacturing approvals are not being sought at this time. Requests would be made to the Board on a case-by-case basis.

International Trade Administration

Dynamic Random Access Memory Semiconductors of One Megabit or Above From the Republic of Korea; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration/International Trade Administration/Department of Commerce.

ACTION: Notice of Preliminary Results of Antidumping Duty Administrative Review.

SUMMARY: In response to requests from three respondents, one U.S. producer, and several interested parties, the Department of Commerce (the Department) has conducted an administrative review of the antidumping duty order on dynamic random access memory semiconductors of one megabit or above from the Republic of Korea. The review covers three manufacturers/exporters of the subject merchandise to the United States for the period of October 29, 1992 through April 30, 1994

We have preliminarily determined that sales have been made below the foreign market value (FMV). If these preliminary results are adopted in our final results of administrative review, we will instruct U.S. Customs to assess antidumping duties equal to the difference between the United States price (USP) and the FMV. Interested parties are invited to comment on these preliminary results. Parties who submit arguments in this proceeding are requested to submit with the argument (1) a statement of the issue, and (2) a brief summary of the argument.
