

National Park Service**Notice of Inventory Completion of Native American Human Remains in the Possession of the Utah Field House of Natural History State Park, Vernal, UT**

AGENCY: National Park Service, Interior
ACTION: Notice

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003(d), of the completion of an inventory of human remains in the possession of the Utah Field House of Natural History State Park, Vernal UT.

In May, 1953, a Ms. Wadel (or Wadell) donated a single cranium to the Utah Field House of Natural History State Park. Writing on the occipital vault reads: "skull of Sioux Chief Gall. Age 99 years and 7 months. Died 1879 at Poplar, Montana, then the Ft. Peck Military Post. He surrendered to General Miles."

A detailed inventory and assessment of this human cranium has been made by Utah Field House professional curatorial staff and specialists in physical anthropology, forensic anthropology, and prehistoric archaeology in consultation with the Standing Rock Sioux Tribal Council. Osteometric and forensic analyses by Dr. George Gill and Dr. Michael Charney established that the cranium is siouan in configuration. Many of the details written on the skull are at variance with generally acknowledged dates and locations of Chief Gall's life. However, a photographic superimposition of the skull with known photographs of Hunkpapa Chief Gall reveals a striking similarity in form.

Contact with the Standing Rock Sioux Tribal Council and the family of Gall's descendants was initiated in June 1991. On October 4, 1991, a grave located in the St. Elizabeth Episcopal Cemetery, on the Standing Rock Sioux Tribe Reservation and said to be the burial site of Chief Gall was exhumed. Family members, a mortician, a doctor, and the South Dakota State Anthropologist, witnessed the excavation. The grave appeared to have not been previously disturbed. A shattered cranium in the grave yielded no corroborating measurements. The lineal descendants of Chief Gall are satisfied that the remains in the grave are of their ancestor.

The Standing Rock Tribal Council acknowledges the lineal descendants decision on the identity of the cranium. Following the decision by Gall's lineal descendants, broader consultation was

initiated with the Fort Belknap Community Council, the Prairie Island Community Council, the Shakopee Sioux Community Council, the Upper Sioux Board of Trustees, the Lower Sioux Indian Community Council, the Flandreau Santee Sioux Executive Committee, the Santee Sioux Tribal Council, the Sisseton-Wahpeton Sioux Tribal Council, the Lower Brule Sioux Tribal Council, the Rosebud Sioux Tribal Council, the Cheyenne River Sioux Tribal Council, the Oglala Sioux Tribe, the Devils Lake Sioux Tribe, the Fort Peck Tribal Executive Board, the Crow Creek Sioux Tribal Council, and the Yankton Sioux Tribal Business and Claims.

Based on the above mentioned information, officials of the Utah Field House of Natural History State Park have determined pursuant to 25 U.S.C. (2) that there is a relationship of shared group identity which can be reasonably traced between this cranium and the Standing Rock Tribe.

This notice has been sent to lineal descendants of Chief Gall and to officials of the Standing Rock Sioux Tribal Council, the Fort Belknap Community Council, the Prairie Island Community Council, the Shakopee Sioux Community Council, the Upper Sioux Board of Trustees, the Lower Sioux Indian Community Council, the Flandreau Santee Sioux Executive Committee, the Santee Sioux Tribal Council, the Sisseton-Wahpeton Sioux Tribal Council, the Lower Brule Sioux Tribal Council, the Rosebud Sioux Tribal Council, the Cheyenne River Sioux Tribal Council, the Oglala Sioux Tribe, the Devils Lake Sioux Tribe, the Fort Peck Tribal Executive Board, the Crow Creek Sioux Tribal Council, and the Yankton Sioux Tribal Business and Claims Committee. Individuals or representatives of any other indian tribe that believes itself to be culturally affiliated with these human remains should contact Dr. Sue Ann Bilbey, Curator, Utah Field House of Natural History State Park, 235 East Main, Vernal UT 84078, telephone (801)789-3799 on or before [thirty days after publication of this notice in the **Federal Register**]. Repatriation of the cranium to the Standing Rock Sioux Tribe may begin after that date if no additional claimants come forward.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[Docket No. 95-31]

Charles L. Novosad, Jr., M.D.; Revocation of Registration

On March 14, 1995, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Charles L. Novosad, Jr., M.D. (Respondent), of Pojoaque, New Mexico. The Order to Show Cause proposed to revoke Respondent's DEA Certificate of Registration, AN5283697, under 21 U.S.C. 824(a)(3), and deny any pending applications for renewal of such registration under 21 U.S.C. 823(f). The Order to Show Cause alleged that

Respondent is not currently authorized to handle controlled substances in the State of New Mexico.

Respondent filed a request for a hearing on the issues raised by the Order to Show Cause, and the matter was docketed before Administrative Law Judge Paul A. Tenney. On May 2, 1995, the Government filed a motion for summary disposition, which was accompanied by a Decision and Order of the New Mexico Board of Pharmacy dated September 15, 1994. The Board of Pharmacy ordered the revocation of Respondent's state registration to handle controlled substances based upon the May 20, 1994, revocation of his state medical license. As a result, the Government contended that Respondent is not authorized to handle controlled substances in the State of New Mexico.

On May 9, 1995, the Respondent filed a response to the Government's motion. In his response, Respondent argued in part, that due process required a hearing in this matter.

On May 10, 1995, in his opinion and recommended decision, the administrative law judge found that Respondent lacks authorization to handle controlled substances in the State of New Mexico. The administrative law judge therefore granted the Government's motion for summary disposition and recommended that Respondent's DEA Certificate of Registration be revoked.

On June 5, 1995, the Respondent filed a letter with the administrative law judge requesting that the latter stay any dismissal of his DEA registration without a hearing. On June 6, 1995, the administrative law judge issued an order in which he interpreted the Respondent's letter as a motion for reconsideration of his ruling on the Government's motion for summary disposition. The administrative law judge found that Respondent failed to provide any new information regarding the revocation of his state medical license, and accordingly, denied Respondent's motion for reconsideration.

On June 12, 1995, Respondent filed exceptions to the administrative law judge's opinion and recommended ruling. The Respondent presented arguments pertaining to actions taken by the New Mexico Board of Medical Examiners and the New Mexico Board of Pharmacy. The Deputy Administrator has carefully considered the entire record in this matter and, pursuant to 21 CFR 1316.67, hereby issues his final order in this matter based upon findings of fact and conclusions of law as hereinafter set forth.
