

Volumes III and IV address internal administrative matters primarily related to organizational structure and resource allocation. Because of budgetary pressures and the mandate to streamline its structure, FSIS is moving immediately to examine and further evaluate these administrative portions of the preliminary report.

Done at Washington, DC, on September 6, 1995.

Michael R. Taylor,

Acting Under Secretary for Food Safety.

DEPARTMENT OF COMMERCE

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: 1996 Integrated Coverage Measurement (ICM) Activities.

Form Number(s): CAPI Instrument, DT-1301, DT-1320, DT-1309(L), DT-1314, DT-1315, DT-1340, DT-1377.

Agency Approval Number: None.

Type of Request: New collection.

Burden: 8,541 hours.

Number of Respondents: 18,000.

Avg Hours Per Response: 11 minutes.

Needs and Uses: The Census Bureau requests OMB approval of the various activities and instruments associated with conducting ICM research in two planned tests — the 1996 ICM Special Test and the 1996 American Indian Reservation Test. The potential ICM activities consist of an independent listing including a quality assurance advance listing, a housing unit followup interview including quality assurance and evaluation interviews, a person and group quarters interview including quality assurance and evaluation interviews, an outmover tracing interview including an evaluation interview, and a dual system estimation followup interview including an evaluation interview. Prompted by the need to improve statistical methodology for estimating population coverage during the decennial census, the Bureau of the Census developed the ICM approach. The ICM approach was first tested in the 1995 Census Test. Results of that test are still under analysis. After completing review of the 1995 ICM results, we may determine that some of these operations, quality control measures, or evaluations are not needed.

Affected Public: Individuals or households.

Frequency: One time only.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482-3271, Department of Commerce, Room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent to Maria Gonzalez, OMB Desk Officer, Room 10201, New Executive Office Building, Washington, DC 20503.

Dated: September 7, 1995.

Gerald Taché,

Departmental Forms Clearance Officer, Office of Management and Organization.
