#### Land Exchange Between the National Park Service and the City of Albuquerque

**AGENCIES:** National Park Service and  
City of Albuquerque.

**ACTION:** Proposed Land Exchange and  
Opportunity for Public Comment,  
Albuquerque, New Mexico.

**SUMMARY:** Pursuant to 16 U.S.C. Sec.  
4601-22(b) and the Petroglyph National  
Monument Establishment Act of 1990,  
104 Stat. 272, the National Park Service,  
hereinafter called the Service, requires  
that the public be notified of a proposed  
land exchange between this agency and  
the City of Albuquerque, hereinafter  
called the city. Both entities propose to  
exchange 0.11 of an acre owned by the  
Service outside the boundary of  
Petroglyph National Monument for two  
tracts, totaling 0.11 of an acre, that the  
city owns within the Atrisco Unit of the  
monument. The Service tract is located  
along Unser Boulevard 0.2 of a mile  
south of the Las Imagines Visitor Center  
within a 100-year flood hazard zone. A  
water drainage structure, operated and  
maintained by the city, currently exists  
on this tract. The city-owned tracts,  
consisting of 0.06 of an acre and 0.05 of  
an acre, are unimproved and were

acquired as uneconomic remnants when  
the right-of-way for Unser Boulevard  
was acquired. Located along Unser  
Boulevard, these tracts are also situated  
south of the Visitor Center, 0.4 of a mile  
and 0.6 of a mile, respectively.

With the city responsible for handling  
the collection of drainage water adjacent  
to Unser Boulevard and the Service  
responsible for managing the lands  
within the Atrisco Unit of the  
monument, it is in the best interests of  
both agencies to consummate this  
exchange.

Both parties have determined that the  
lands and interests therein to be  
exchanged are of equal value.

#### COMMENTS AND FURTHER INFORMATION:

The comment period on this proposed  
exchange ends 45 days from the date of  
this publication. Any comments  
pertaining to this exchange should be  
sent to the Superintendent, Petroglyph  
National Monument, 6001 Unser  
Boulevard, NW, Albuquerque, New  
Mexico 87120. Further information on  
this exchange can be obtained at the  
same address.

Dated: August 11, 1995.

**John E. Cook,**

*Field Director, Intermountain Area, National  
Park Service.*

#### INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 701-TA-362 (Final) and  
731-TA-707 through 710 (Final)]

#### Certain Seamless Carbon and Alloy Standard, Line, and Pressure Steel Pipe From Argentina, Brazil, Germany, and Italy

##### Determinations

On the basis of the record<sup>1</sup> developed  
in the subject investigations, the  
Commission unanimously determines,  
pursuant to sections 705(b) and 735(b)  
of the Tariff Act of 1930 (the Act) (19  
U.S.C. §§ 1671d(b) and 1673d(b),  
respectively), that an industry in the  
United States is materially injured by  
reason of imports from Italy of certain  
seamless carbon and alloy standard,  
line, and pressure steel pipe and redraw  
hollows<sup>2</sup> that are subsidized by the

<sup>1</sup> The record is defined in sec. 207.2(f) of the  
Commission's Rules of Practice and Procedure (19  
CFR § 207.2(f)).

<sup>2</sup> Imports are currently reported under  
Harmonized Tariff Schedule statistical numbers  
7304.10.1020, 7304.10.5020, 7304.31.6050,  
7304.39.0016, 7304.39.0020, 7304.39.0024,  
7304.39.0028, 7304.39.0032, 7304.51.5005,  
7304.51.5060, 7304.59.6000, 7304.59.8010,  
7304.59.8015, 7304.59.8020, and 7304.59.8025.

Government of Italy, and by reason of  
imports from Argentina, Brazil,  
Germany, and Italy that are sold in the  
United States at less than fair value  
(LTFV).

##### Background

The Commission instituted these  
investigations effective December 23,  
1994, and January 27, 1995, following  
preliminary determinations by the  
Department of Commerce that imports  
of certain seamless carbon and alloy  
standard, line, and pressure steel pipe  
and redraw hollows from Italy were  
being subsidized within the meaning of  
section 703(b) of the Act (19 U.S.C.  
§ 1671b(b)), and that imports of such  
pipe from Argentina, Brazil, Germany  
and Italy<sup>3</sup> were being sold at LTFV  
within the meaning of section 733(b) of  
the Act (19 U.S.C. § 1673b(b)). The  
petition underlying these investigations  
was filed on June 23, 1994, prior to the  
effective date of the Uruguay Round  
Agreements Act.<sup>4</sup> Thus, these  
investigations were subject to the  
substantive and procedural rules of the  
Act, the pre-existing law.

Notices of the institution of the  
Commission's investigations and of a  
public hearing to be held in connection  
therewith was given by posting copies  
of the notices in the Office of the  
Secretary, U.S. International Trade  
Commission, Washington, DC, and by  
publishing the notices in the **Federal  
Register** of January 12, 1995, March 1,  
1995, and June 23, 1995 (60 FR 2984, 60  
FR 11110, and 60 FR 32709). The  
hearing was held in Washington, DC, on  
June 20, 1995, and all persons who  
requested the opportunity were  
permitted to appear in person or by  
counsel.

The Commission transmitted its  
determinations in these investigations to  
the Secretary of Commerce on July 26,  
1995. The views of the Commission are  
contained in USITC Publication 2910  
(July 1995), entitled "Certain Seamless  
Carbon and Alloy Standard, Line, and  
Pressure Steel Pipe from Argentina,  
Brazil, Germany, and Italy:  
Investigations Nos. 701-TA-362 and  
731-TA-707 through 710 (Final)."

By order of the Commission.

<sup>3</sup> Commerce's preliminary determination of sales  
at LTFV regarding Italy was negative. Following  
Commerce's final affirmative determination of sales  
at LTFV, the Commission instituted its final  
antidumping investigation concerning Italy,  
effective June 14, 1995.

<sup>4</sup> See Pub. L. 103-465, approved Dec. 8, 1994, 108  
Stat. 4809, at § 291.
