#### Ozark Gas Transmission System; Notice of Proposed Change in FERC Gas Tariff

September 7, 1995.

Take notice that on September 1, 1995, Ozark Gas Transmission System (Ozark), tendered for filing and acceptance the following revised tariff sheet to its FERC Gas Tariff, First Revised Volume No. 1:

Eleventh Revised Sheet No. 4

Ozark proposed that the tariff sheet become effective on October 1, 1995.

Ozark states that the above tariff sheet has been revised to reflect a modification to the Annual Charge Adjustment fee, in accordance with the Commission's most recent Annual Charge billing to Ozark. The Annual Charge unit charge authorized by the Commission for fiscal year 1996 and proposed in the filing is \$0.0023 per MMBtu.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before September 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.

#### Mojave Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

September 7, 1995.

Take notice that on September 1, 1995, Mojave Pipeline Company (Mojave) tendered for filing proposed changes to Sheet No. 11 of its FERC Gas Tariff, First Revised Volume No. 1.

Mojave makes this filing to implement its annual adjustment clause (ACA) for fiscal year 1996, pursuant to Section 154.38(d)(6) of the Commission's Regulations, which allows a natural gas pipeline company to adjust its rates annually to recover from its customers annual charges assessed it by the Commission under Part 382 of the Commission's Regulations. The ACA charge shall be applied to the transportation component of Mojave's rates under its Rate Schedules FT-1 and IT-1. Additional information regarding Mojave's ACA charge is contained on Sheet Nos. 127 and 128 of the First Revised Volume No. 1 of Mojave's existing gas tariff.

Mojave states that copies of the filing were served upon Mojave's jurisdictional customers.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before September 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

#### IGM, Inc.; Notice of Issuance of Order

September 7, 1995.

On July 27, 1995, IGM, Inc. (IGM) submitted for filing a rate schedule under which IGM will engage in wholesale electric power and energy transactions as a marketer. IGM also requested waiver of various Commission regulations. In particular, IGM requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by IGM.

On August 28, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by IGM should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, IGM is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided

that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of IGM's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is September 27, 1995.

Copies of the full text of the order are available from the Commission's Public Reference Branch, Room 3308, 941 North Capitol Street, N.E., Washington, D.C. 20426.

**Stingray Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff**

September 7, 1995.

Take notice that on September 1, 1995, Stingray Pipeline Company (Stingray) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, Fourth Revised Sheet No. 5, to be effective October 1, 1995.

Stingray states that the purpose of the filing is to implement the Annual Charges Adjustment (ACA) charge necessary for Stingray to recover from its customers annual charges assessed it by the Commission pursuant to Part 382 of the Commission's Regulations. The rate authorized by the Commission to be effective October 1, 1995 is \$.0023 per Mcf. Under Stingray's billing basis, this rate converts to \$.0022 per Dekatherm.

Stingray requested waiver of the Commission's Regulations to the extent necessary to permit the tariff sheet to become effective on October 1, 1995.

Stingray states that a copy of the filing is being mailed to Stingray's jurisdictional customers and interested state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations.

All such motions or protests must be filed on or before September 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
