INTERSTATE COMMERCE COMMISSION

[Finance Docket No. 32758]

Portland & Western Railroad, Inc.— Lease and Operation Exemption— Southern Pacific Transportation Company

Portland & Western Railroad, Inc. (PNWR), a noncarrier, has filed a notice of exemption to lease from Southern Pacific Transportation Company (SPT) and to operate three rail segments, all in the State of Oregon, totaling approximately 52.68 miles: (1) The 28.91-mile Tillamook Branch, between milepost 741.59 near Willsburg Jct. and milepost 770.50 near Schefflin; (2) the 9.45-mile Westside-Seghers Branch, between milepost 764.80 near Hillsboro and milepost 754.57 near Seghers;¹ and (3) the 14.32-mile Newberg Branch, between milepost 763.99 near Cook and milepost 749.67 near Newberg. SPT also granted PNWR incidental overhead trackage rights to operate over 3.69 miles of rail line between milepost 768.00 at Brooklyn Yard and the point of connection with the Tillamook Branch at milepost 741.59 near Willsburg Jct. The notice became effective on August 15, 1995.

PNWR is 100% owned and controlled by Genesee & Wyoming Industries, Inc. (GWI), and GWI controls nine class III rail carriers through stock ownership. Because, the three SPT lines connect with lines operated by Willamette & Pacific Railroad, Inc., a GWI controlled rail carrier, GWI has petitioned for an exemption in *Genesee & Wyoming Industries, Inc.—Continuance in Control Exemption—Portland & Western Railway, Inc.*, Finance Docket No. 32759, to continue in control of PNWR and the other railroads in its corporate family after PNWR becomes a class III rail carrier. To consummate the instant transaction before Finance Docket No. 32759 is decided, GWI has placed PNWR in an independent voting trust. 49 CFR 1013.

Any comments must be filed with the Commission and served on Eric M. Hocky, Gollatz, Griffin & Ewing, P.C.,

¹ Although the mileposts for this line segment suggest that the line is 10.23 miles long, the actual mileage is 9.45 miles. The discrepancy is attributable to the mileposts not having been redesignated to reflect a previous abandonment.

P.O. Box 796, 213 West Miner Street,
West Chester, PA 19381-0796.

This notice is filed under 49 CFR 1150.31. If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10505(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

Decided: September 6, 1995.

By the Commission, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,

Secretary.
