Municipal Interest Rates for the Fourth Quarter of 1995

AGENCY: Rural Utilities Service, USDA.
ACTION: Notice of municipal interest rates on advances from insured electric loans for the fourth quarter of 1995.

SUMMARY: The Rural Utilities Service hereby announces the interest rates for advances on municipal rate loans with interest rate terms beginning during the fourth calendar quarter of 1995.

DATES: These interest rates are effective for interest rate terms that commence during the period beginning October 1, 1995, and ending December 31, 1995.

FOR FURTHER INFORMATION CONTACT: Sue Arnold, Financial Analyst, U.S. Department of Agriculture, Rural Utilities Service, room 2230-s, 14th Street & Independence Avenue, SW, AgBox 1522, Washington, DC 20250-1500. Telephone: 202-720-0736. FAX: 202-720-4120.

SUPPLEMENTARY INFORMATION: The Rural Utilities Service (RUS) hereby announces the interest rates on advances made during the fourth calendar quarter of 1995 for municipal rate electric loans. Pursuant to regulations originally published by the Rural Electrification Administration (REA) at 7 CFR 1714.5, the interest rates on advances from municipal rate loans are based on indexes published in the "Bond Buyer" for the four weeks prior to the first Friday of the last month before the beginning of the quarter.

The Federal Crop Insurance Reform and Department of Agriculture Reorganization Act of 1994 (Pub. L. 103-354, 101 Stat. 3178), signed by President Clinton on October 13, 1994, provides for the establishment of RUS as successor to REA with respect to various programs, including the electric loan program established by the Rural

Electrification Act of 1936 (7 U.S.C. 901 *et seq.*). On October 20, 1994, the Secretary of Agriculture issued Secretary's Memorandum 1010-1, establishing RUS and abolishing REA. Therefore, RUS is publishing this notice implementing a rule originally published by REA.

In accordance with 7 CFR 1714.5, the interest rates are established as shown in the following table for all interest rate terms that begin at any time during the fourth calendar quarter of 1995.

[Docket No. 950901225-5225-01]

Annual Trade Survey

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of Determination.

SUMMARY: In accordance with Title 13, United States Code, Sections 182, 224, and 225, I have determined the Census Bureau needs to collect data covering year-end inventories, annual sales, and purchases to provide a sound statistical basis for the formation of policy by

various governmental agencies. These data also apply to a variety of public and business needs. This annual survey is a continuation of similar wholesale trade surveys conducted each year since 1978. It provides on a comparable classification basis annual sales and purchases for 1995 and inventories for 1994 and 1995. These data are not available publicly on a timely basis from nongovernmental or other governmental sources.

FOR FURTHER INFORMATION CONTACT:

Nancy A. Piesto or Edward Murphy on (301) 457-2779.

SUPPLEMENTARY INFORMATION:

The Census Bureau is authorized to take surveys necessary to furnish current data on subjects covered by the major censuses authorized by Title 13, United States Code. This survey will provide continuing and timely national statistical data on wholesale trade for the period between economic censuses. The data collected in this survey will be within the general scope and nature of those inquiries covered in the economic censuses.

The Census Bureau will require selected firms operating merchant wholesale establishments in the United States (with sales size determining the probability of selection) to report in the 1995 Annual Trade Survey. We will furnish report forms to the firms covered by this survey and will require their submission within thirty days after receipt. The sample will provide, with measurable reliability, statistics on the subjects specified above. This survey has been submitted to the Office of Management and Budget, in accordance with the Paperwork Reduction Act, Public Law 96-511, as amended, and was cleared under OMB Control No. 0607-0195. We will provide copies of the form upon written request to the Director, Bureau of the Census, Washington, DC 20233.

Based upon the foregoing, I have directed that an annual survey be conducted for the purpose of collecting these data.

Dated: September 6, 1995.

Martha Farnsworth Riche,

Director, Bureau of the Census.

Foreign-Trade Zones Board

[Docket 50-95]

**Proposed Foreign-Trade Zone—
Kodiak, Alaska, Application and Public
Hearing**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Kodiak Island Borough (an Alaskan municipal corporation), requesting authority to establish a general-purpose foreign-trade zone at sites on Kodiak Island. Designation of the Kodiak Airport as a Customs user fee airport is being requested under separate application to the U.S. Customs Service. The FTZ application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on August 31, 1995. The applicant is authorized to make the proposal under Alaska Statutes, Chapter 77, Section 10.

The proposed zone would consist of eleven sites (4,265 acres) within the City of Kodiak and the Kodiak Island Borough: *Site 1* (Kodiak Space Launch Complex—3,077 acres)—at Narrow Cape, 45 miles SW of the City of Kodiak; *Site 2* (Port of Kodiak/Pier II—4 acres)—City and Port of Kodiak, 403 Marine Way; *Site 3* (Port of Kodiak/Pier III/Sea-Land—4.5 acres)—727 Shelikof, Kodiak; *Site 4* (Port of Kodiak—St. Herman Harbor, Near Island—380 acres); *Site 5* (Fuller's Boatyard Industrial Center—4.3 acres) Marine Way, Kodiak; *Site 6* (International Seafoods of Alaska—5.5 acres)—Marine Way, Kodiak; *Site 7A* (13 acres) & *7B* (32 acres)—(Natives of Kodiak, Inc.—45 acres)—2 miles SW of the City of Kodiak on West Rezanof Drive; *Site 8*—(Kodiak State Airport—611.55 acres)—1500 Anton Larsen Bay Road; *Site 9*—(Lash Terminal—Seaport Terminal Services—78.5 acres)—7205 West Rezanof Drive, Kodiak; *Site 10A* (44.94 acres) & *10B* (9.16 acres)—(Koniag Regional Native Corp.—53 acres) 2 sites located at the following distances SW of the City of Kodiak on East Rezanof Drive at the head of Womens Bay (10A—Bruhn Point—7.5 miles; 10B—Frye Point—9 miles); and, *Site 11* (Old Harbor—1.5 acres) south portion of the former Old Harbor Airport on Three Saints Avenue.

The application contains evidence of the need for zone services in the Kodiak, Alaska, area. Site 1, the Kodiak Space Launch Complex, will serve as the primary site. It includes launch pads, rocket storage and assembly facilities, and a satellite payload assembly facility. In regard to usage of the proposed sites, in general, several firms have indicated

an interest in using zone procedures for warehousing/distribution of such items as oil spill response mobile vans, seafood, boats and logs. No manufacturing approvals are being sought at this time. Such approvals would be requested from the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

As part of the investigation, the Commerce examiner will hold a public hearing on October 5, 1995, 9:00 a.m., Kodiak Island Borough Assembly Chambers, Borough Building, 710 Mill Bay Road, Kodiak, Alaska 99615-6340.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is November 13, 1995. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 14-day period (to November 22, 1995).
