NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION REVIEW COMMITTEE: MEETING

AGENCY: National Park Service, Department of the Interior

ACTION: Notice of meeting of the Native American Graves Protection and Repatriation Review Committee, Correction

This notice corrects the notice published in the Federal Register on May 31, 1995.

A meeting of the Native American Graves Protection and Repatriation Act Review Committee will be held on October 16, 17, and 18, 1995, in Anchorage, Alaska. The notice published May 31st stated the final day of the meeting may be held in the Eagan Center, Anchorage, AK, in conjunction with the Alaska Federation of Natives annual convention. The location for the final day of the meeting has been changed to the Chart Room in the Anchorage Hilton, 500 West 3rd Avenue, Anchorage, Alaska, 99510-9953. This does not affect the location for the first two days of the meeting which will be held in the Dillingham Room in the Anchorage Hilton, as stated in the earlier notice.

The notice published May 31st stated that comments to the Committee's draft recommendations regarding the disposition of culturally unidentifiable human remains in museums and Federal collections and public comment and discussion of the statute's application in Alaska would be on the meeting's agenda. The agenda has been expanded to include the Committee's review of written evidence on two disputes: the first dispute involves the Oneida Tribe of Indians of Wisconsin, the Oneida Indian Nation, and the Field Museum of Natural History. The second dispute involves Betty J. Washburn and Charles Junkerman, representatives of Chief Satanta (White Bear) Descendants, the University of California, Berkeley, and the Phoebe A. Hearst Museum of Anthropology.

The meeting will be open to the public. However, facilities and space for accommodating members of the public are limited. Persons will be accommodated on a first-come, first-

served basis. Due to the presence of Alaska Federation of Natives delegates, hotel rooms in Anchorage may be scarce. Any member of the public may file a written statement concerning the matters to be discussed with Dr. Francis P. McManamon, Departmental Consulting Archeologist.

Persons wishing further information concerning this meeting, or who wish to submit written statements may contact Dr. Francis P. McManamon, Departmental Consulting Archeologist, Archeological Assistance Division, National Park Service, P.O. Box 37127-suite 210, Washington, DC 20013-7127, Telephone (202) 343-4101. Draft summary minutes of the meeting will be available for public inspection about eight weeks after the meeting at the office of the Departmental Consulting Archeologist, room 210, 800 North Capital Street, Washington, DC.

Dated: September 7, 1995

Veletta Canouts,

Acting Departmental Consulting Archeologist and Acting Chief, Archeology and Ethnography Program.
