Federal Acquisition Regulation; Whistleblower Protections for Contractor Employees (Ethics)

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Technical amendment to final rule.

SUMMARY: At 60 FR 37774, July 21, 1995, a final rule was issued pursuant to the Federal Acquisition Streamlining Act of 1994, Public Law 103-355 (the Act). The Federal Acquisition Regulatory Council is now issuing an *Applicability Date*, in addition to the *Effective Date*, of the regulation.

DATES: Effective Date: September 19, 1995.

Applicability Date: This regulation will apply to contracts in existence as of September 19, 1995, for reprisals to Government contractor employees occurring on or after that date. The remedy provided by this regulation does not apply to contracts otherwise covered by provisions of 10 U.S.C. 2409a.

FOR FURTHER INFORMATION CONTACT: Mr. Julius Rothlein, Ethics Team Leader, at (703) 697-4349 in reference to this FAR case.

SUPPLEMENTARY INFORMATION:

Background:

FAC 90-30, FAR case 94-803, implemented Sections 6005 and 6006 of the Act, Whistleblower Protections for Contractor Employees. These protections are now virtually identical for contractors employed by both DOD and civilian agencies.

The rule as originally published did not specifically discuss the extent of retroactivity. The rule did not require a contract clause. To clarify this, the FAR Council is establishing the extent of the rule's retroactivity.

Some existing Department of Defense contracts contain a contractor employee whistleblower clause, based on prior statute (10 U.S.C. 2409a). That law was narrower in scope and only applied to certain DoD contracts.

Dated: September 7, 1995.

Edward C. Loeb,

Deputy Project Manager for the Implementation of the Federal Acquisition Streamlining Act of 1994.

Federal Acquisition Regulation; Small Business

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Federal Acquisition Regulatory Council has agreed on a final rule to amend the Federal Acquisition Regulation (FAR) to implement sections 7101(a) and 7106 and to augment regulation implementation of Section 10004 of the Federal Acquisition Streamlining Act of 1994 (Pub. L. 103-355), dated October 13, 1994. Section 7101(a) of FASA deletes sections 15(e) and (f) from the Small Business Act. Those sections established the priority for award of set-asides and provided the statutory basis for a procurement preference for concerns located in Labor Surplus Areas (LSA). Based on this deletion, this rule removes the LSA set-aside program and LSA subcontracting program from the FAR.

Section 7106 of FASA revises sections 8 and 15 of the Small Business Act to accommodate a Governmentwide goal of 5 percent for women-owned small businesses. This rule deletes existing, separate coverage relating to women-owned businesses and revises existing coverage to place women-owned small businesses on an equal footing with small disadvantaged businesses. In connection with this revision, the Standard Forms 294 and 295 are revised and streamlined.

Section 10004 of FASA, which requires the collection of specified data through the Federal Procurement Data System, is being implemented by FAR case 94-701. This rule augments that coverage by providing a solicitation provision to collect the information on women-owned businesses as required by that FAR case.

This regulatory action was subject to Office of Management and Budget

review under Executive Order 12866, dated September 30, 1993.

EFFECTIVE DATE: October 1, 1995.

FOR FURTHER INFORMATION CONTACT: Ms. Victoria Moss, Small Business Team Leader, at (202) 501-4764 in reference to this FAR case. For general information, contact the FAR Secretariat, Room 4037, GS Building, Washington, DC 20405 (202) 501-4755. Please cite FAC 90-32, FAR case 94-780.

SUPPLEMENTARY INFORMATION:

A. Background

The Federal Acquisition Streamlining Act of 1994 (the Act), Pub. L. 103-355, provides authorities that streamline the acquisition process and minimize burdensome Government-unique requirements. The following sections of the Federal Acquisition Streamlining Act are implemented by this final rule:

Section 7101, Repeal of Certain Requirements, paragraph (a), deletes sections 15(e) and (f) from the Small Business Act. These sections established the priority for the award of contracts and subcontracts in carrying out the set-aside programs.

Section 7106, Procurement Goals for Small Business Concerns Owned by Women, establishes a Governmentwide goal for participation by women-owned small business concerns in prime and subcontracts and revises sections 8 and 15 of the Small Business Act to accommodate the goal.

Section 10004, Data Collection through the Federal Procurement Data System, has been implemented in FAR case 94-701. This rule augments that implementation.

These sections are implemented in this final rule by way of the following substantial changes:

Elimination of the Labor Surplus Area (LSA) set-aside program;

Development of coverage giving women-owned small businesses equal standing with small and small disadvantaged business in subcontracting plans;

Issuance of an abbreviated provision to allow firms to represent their status as small, small disadvantaged and/or women-owned small business in one place;

Simplification and streamlining of the Standard Form (SF) 294, Subcontract for Individual Contracts, and SF 295, Summary Subcontract Report;

Inclusion of a solicitation provision collecting information on women-owned businesses.

B. Regulatory Flexibility Act

The changes may have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule requires large business contractors to submit and negotiate a subcontracting plan addressing subcontracting with women-owned small businesses. The rule further provides for imposition of liquidated damages on those firms which do not make a good faith effort to comply with that subcontracting plan. A Final Regulatory Flexibility Analysis (FRFA) has been prepared and will be provided to the Chief Counsel for Advocacy for the Small Business Administration. A copy of the FRFA may be obtained from the FAR Secretariat.

C. Paperwork Reduction Act

The Paperwork Reduction Act (Pub. L. 96-511) applies because the final rule contains information collection requirements. Requests for approval of the revised information collection requirements concerning OMB Control Numbers 9000-0006, Subcontracting Plans/Subcontracting Report for Individual Contracts, and 9000-0007, Summary Subcontract Report, were submitted to the Office of Management and Budget under 44 U.S.C. 3501, *et seq.* The information collections were approved through March 31, 1998. Public comments concerning this request were invited through a Federal Register notice published on January 6, 1995. Based on the comments received concerning these information collection requirements, substantial changes were made to SFs 294 and 295. The most significant changes include removal of blocks which collect information not essential to program management, changing the reporting frequency for the SF 295 from quarterly to semi-annually (DOD only), removing signature blocks from the SF 294 (to facilitate electronic submittal) and clarifying the instructions on the reverse.

D. Public Comments

On January 6, 1995, a proposed rule was published in the Federal Register (60 FR 2302). In response to the notice of proposed rulemaking, 114 public comments were received. In order to more effectively implement those sections of the Act addressed in the proposed rule, the proposed rule has been divided into distinguishable segments. Section 4004, Small Business Reservation, has been added to FAR Case 94-770. Section 7102, Contracting Program for Certain Small Business

Concerns, remains under consideration in light of the Supreme Court's recent decision in *Adarand Constructors, Inc. v. Peña*, 115 S. Ct. 2097 (1995), which set forth a new standard for evaluating the constitutionality of race-based affirmative action programs, and the President's directive of July 19, 1995, that executive agencies review such programs under that standard. Section 7102 has been assigned FAR case 94-781. The comments of all respondents were considered in developing this final rule. As a result, the following changes have been made:

Requirements for acquisition plans were revised to include consideration of women-owned small business concerns.

Use of the provision entitled "Priority for Labor Surplus Area Concerns" was limited to sealed bids.

The Standard Forms 294 and 295 were simplified and streamlined.

Such concerns shall also have the maximum practicable opportunity to participate as subcontractors in the contracts awarded by any executive agency, consistent with efficient contract performance. The Small Business Administration (SBA) counsels and assists small business concerns and assists contracting personnel to ensure that a fair proportion of contracts for supplies and services is placed with small business.

(b) Heads of contracting activities are responsible for effectively implementing the small business programs within their activities, including achieving program goals. 19.505 Rejecting Small Business Administration recommendations.

(a) If the contracting officer rejects a recommendation of the SBA procurement center representative or breakout procurement center representative, written notice shall be furnished to the appropriate SBA center representative within 5 working days of the contracting officer's receipt of the recommendation.

(b) The SBA procurement center representative may appeal the contracting officer's rejection to the head of the contracting activity (or designee) within 2 working days after receiving the notice. The head of the contracting activity (or designee) shall render a decision in writing, and provide it to the SBA representative within 7 working days. Pending issuance of a decision to the SBA procurement center representative, the contracting officer shall suspend action on the acquisition.

(c) If the head of the contracting activity agrees that the contracting officer's rejection was appropriate, the SBA procurement center representative may—

(1) Within 1 working day, request the contracting officer to suspend action on the acquisition until the SBA

Administrator appeals to the agency head (see paragraph (f) of this section); and

(2) The SBA shall be allowed 15 working days after making such a written request, within which the Administrator of SBA

(i) May appeal to the Secretary of the Department concerned, and

(ii) Shall notify the contracting officer whether the further appeal has, in fact, been taken.

If notification is not received by the contracting officer within the 15-day period, it shall be deemed that the SBA request to suspend contracting action has been withdrawn and that an appeal to the Secretary was not taken.

(d) When the contracting officer has been notified within the 15-day period that the SBA has appealed to the agency head, the head of the contracting activity (or designee) shall forward justification for its decision to the agency head. The contracting officer shall suspend contract action until notification is received that the SBA appeal has been settled.

(e) The agency head shall reply to the SBA within 30 working days after receiving the appeal. The decision of the agency head shall be final.

(f) A request to suspend action on an acquisition need not be honored if the contracting officer determines that proceeding to contract award and performance is in the public interest. The contracting officer shall include in the contract file a statement of the facts justifying the determination, and shall promptly notify the SBA representative of the determination and provide a copy of the justification.

35. Section 19.506 is revised to read as follows:

19.506 Withdrawing or modifying set-asides.

(a) If, before award of a contract involving a set-aside, the contracting officer considers that award would be detrimental to the public interest, (e.g., payment of more than a fair market price), the contracting officer may withdraw the set-aside determination whether it was unilateral or joint. The contracting officer shall initiate a withdrawal of an individual set-aside by giving written notice to the agency small business specialist and the SBA procurement center representative, if one is assigned, stating the reasons. In a similar manner, the contracting officer may modify a unilateral or joint class set-aside to withdraw one or more individual acquisitions.

(b) If the agency small business specialist does not agree to a withdrawal or modification, the case shall be promptly referred to the SBA representative (if one is assigned) for review. If an SBA representative is not assigned, disagreements between the agency small business specialist and the contracting officer shall be resolved using agency procedures. However, the procedures are not applicable to automatic dissolutions of set-asides (see 19.507) or dissolution of set-asides under \$100,000.

(c) The contracting officer shall prepare a written statement supporting any withdrawal or modification of a set-aside and include it in the contract file.

Protests challenging a subcontractor's disadvantaged status representation shall be filed in accordance with 13 CFR 124.601 through 124.610. Utilization of Small, Small Disadvantaged and Women-Owned Small Business Concerns (see 19.708(b)), in all subcontracts that offer further subcontracting opportunities, and that the offeror will require all subcontractors (except small business concerns) that receive subcontracts in excess of \$500,000 (\$1,000,000 for construction) to adopt a plan similar to the plan required by the clause at 52.219-9, Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan (see 19.708(c));

* * * * *

(6) A recitation of the types of records the offeror will maintain to demonstrate procedures adopted to comply with the requirements and goals in the plan, including establishing source lists; and a description of the offeror's efforts to locate small, small disadvantaged and women-owned small business concerns and to award subcontracts to them.

Master plans shall be effective for a 1-year period after approval by the contracting officer; however, a master plan when incorporated in an individual plan shall apply to that contract throughout the life of the contract.

8, Utilization of Small, Small Disadvantaged and Women-Owned Small Business Concerns, the contracting officer may find the bidder nonresponsible.

(c) * * * Subcontracting goals should be set at a level that the parties reasonably expect can result from the offeror expending good faith efforts to use small, small disadvantaged and women-owned small business subcontractors to the maximum practicable extent. * * * An incentive subcontracting clause (see 52.219-10, Incentive Subcontracting Program), may be used when additional and unique contract effort, such as providing technical assistance, could significantly increase subcontract awards to small, small disadvantaged or women-owned small businesses.

(d) * * *

(4) Evaluate subcontracting potential, considering the offeror's make-or-buy policies or programs, the nature of the products or services to be subcontracted, the known availability of small, small disadvantaged and women-owned small business concerns in the geographical area where the work will be performed, and the potential contractor's long-standing contractual relationship with its suppliers.

(5) Advise the offeror of available sources of information on potential small, small disadvantaged and women-owned small business subcontractors, as well as any specific concerns known to be potential subcontractors. * * *

(6) Obtain advice and recommendations from the SBA procurement center representative (if any) and the agency small business specialist.

44. Section 19.705-7 is amended—

and adding the phrase "or woman-owned small" after the word "disadvantaged";

d. In paragraph (f) by removing the words "Business and" and replacing them with a comma; and adding the phrase "and Women-Owned Small" after the word "Disadvantaged".

45. Section 19.706 is amended by revising paragraphs (a)(2) and (a)(3) to read as follows:

* * * * *

46. Section 19.708 is amended by revising paragraph (a) introductory text, (b) and (c) to read as follows:

19.708 Solicitation provisions and contract clauses.

(a) The contracting officer shall insert the clause at 52.219-8, Utilization of Small, Small Disadvantaged and Women-Owned Small Business Concerns, in solicitations and contracts when the contract amount is expected to be over the simplified acquisition threshold in Part 13 unless—

* * * * *

(b)(1) The contracting officer shall, when contracting by negotiation, insert the clause at 52.219-9, Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan, in solicitations and contracts that

(i) Offer subcontracting possibilities,
 (ii) Are expected to exceed \$500,000 (\$1,000,000 for construction of any public facility), and

(iii) Are required to include the clause at 52.219-8, Utilization of Small, Small Disadvantaged and Women-Owned Small Business Concerns, unless the acquisition has been set aside or is to be accomplished under the 8(a) program. When contracting by sealed bidding rather than by negotiation, the contracting officer shall use the clause with its Alternate I.

(2) The contracting officer shall insert the clause at 52.219-16, Liquidated Damages—Subcontracting Plan, in all solicitations and contracts containing the clause at 52.219-9, Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan, or its Alternate I.

(c)(1) The contracting officer may, when contracting by negotiation, insert in solicitations and contracts a clause substantially the same as the clause at 52.219-10, Incentive Subcontracting Program, when a subcontracting plan is required (see 19.702(a)(1)), and inclusion of a monetary incentive is, in the judgment of the contracting officer, necessary to increase subcontracting opportunities for small, small disadvantaged and women-owned small business concerns, and is commensurate with the efficient and economical performance of the contract; unless the conditions in paragraph (c)(3) of this section are applicable. The contracting officer may vary the terms of the clause as specified in paragraph (c)(2) of this section.

(2) Various approaches may be used in the development of small, small disadvantaged and women-owned small business concerns' subcontracting incentives. They can take many forms, from a fully quantified schedule of payments based on actual subcontract achievement to an award fee approach employing subjective evaluation criteria (see paragraph (c)(3) of this section). The incentive should not reward the contractor for results other than those that are attributable to the contractor's efforts under the incentive subcontracting program.

(3) As specified in paragraph (c)(2) of this section, the contracting officer may include small, small disadvantaged and women-owned small business subcontracting as one of the factors to be considered in determining the award fee in a cost-plus-award-fee contract; in such cases, however, the contracting officer shall not use the clause at 52.219-10, Incentive Subcontracting Program.

(c) Failure to identify the labor surplus areas as specified in paragraph (b) of this provision will preclude the bidder from receiving priority consideration. If the bidder is awarded a contract as a result of receiving priority consideration under this provision and would not have otherwise received award, the bidder shall perform the contract or cause the contract to be performed in accordance with the obligations of an LSA concern.

(a) It is the policy of the United States that small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals and small business concerns owned and controlled by women shall have the maximum practicable opportunity to participate in performing contracts let by any Federal agency, including contracts and subcontracts for subsystems, assemblies, components, and related services for major systems. It is further the policy of the United States that its prime contractors establish procedures to ensure the timely payment of amounts due pursuant to the terms of their subcontracts with small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals and small business concerns owned and controlled by women.

* * * * *

(d) The term "small business concern owned and controlled by women" shall mean a small business concern (i) which is at least 51 percent owned by one or more women, or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more women, and (ii) whose management and daily business operations are controlled by one or more women; and

67. Section 52.219-9 is amended by revising—

52.219-9 Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan.

* * * * *

Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan (Oct 1995)

* * * * *

(c) The offeror, upon request by the Contracting Officer, shall submit and negotiate a subcontracting plan, where applicable, which separately addresses subcontracting with small business concerns, with small disadvantaged business concerns and with women-owned small business concerns. If the offeror is submitting an individual contract plan, the plan must separately address subcontracting with small business concerns, small disadvantaged business concerns, and women-owned small

business concerns with a separate part for the basic contract and separate parts for each option (if any). * * *

(d) The offeror's subcontracting plan shall include the following:

(1) Goals, expressed in terms of percentages of total planned subcontracting dollars, for the use of small business concerns, small disadvantaged business concerns and women-owned small business concerns as subcontractors. The offeror shall include all subcontracts that contribute to contract performance, and may include a proportionate share of products and services that are normally allocated as indirect costs.

(2) A statement of—

(i) Total dollars planned to be subcontracted;

(ii) Total dollars planned to be subcontracted to small business concerns;

(iii) Total dollars planned to be subcontracted to small disadvantaged business concerns; and

(iv) Total dollars planned to be subcontracted to women-owned small business concerns.

(3) A description of the principal types of supplies and services to be subcontracted, and an identification of the types planned for subcontracting to (i) small business concerns, (ii) small disadvantaged business concerns and (iii) women-owned small business concerns.

(4) A description of the method used to develop the subcontracting goals in paragraph (d)(1) of this clause.

(5) A description of the method used to identify potential sources for solicitation purposes (e.g., existing company source lists, the Procurement Automated Source System (PASS) of the Small Business Administration, the National Minority Purchasing Council Vendor Information Service, the Research and Information Division of the Minority Business Development Agency in the Department of Commerce, or small, small disadvantaged and women-owned small business concerns trade associations). A firm may rely on the information contained in PASS as an accurate representation of a concern's size and ownership characteristics for purposes of maintaining a small business source list. A firm may rely on PASS as its small business source list. Use of the PASS as its source list does not relieve a firm of its responsibilities (e.g., outreach, assistance, counseling, publicizing subcontracting opportunities) in this clause.

(6) A statement as to whether or not the offeror included indirect costs in establishing subcontracting goals, and a description of the method used to determine the proportionate share of indirect costs to be incurred with (i) small business concerns, (ii) small disadvantaged business concerns, and (iii) women-owned small business concerns.

(7) The name of the individual employed by the offeror who will administer the offeror's subcontracting program, and a description of the duties of the individual.

(8) A description of the efforts the offeror will make to assure that small, small disadvantaged and women-owned small business concerns have an equitable opportunity to compete for subcontracts.

(9) Assurances that the offeror will include the clause in this contract entitled "Utilization of Small, Small Disadvantaged and Women-Owned Small Business Concerns" in all subcontracts that offer further subcontracting opportunities, and that the offeror will require all subcontractors (except small business concerns) who receive subcontracts in excess of \$500,000 (\$1,000,000 for construction of any public facility) to adopt a plan similar to the plan agreed to by the offeror.

(10) Assurances that the offeror will (i) cooperate in any studies or surveys as may be required, (ii) submit periodic reports in order to allow the Government to determine the extent of compliance by the offeror with the subcontracting plan, (iii) submit Standard Form (SF) 294, Subcontracting Report for Individual Contracts, and/or SF 295, Summary Subcontract Report, in accordance with the instructions on the forms, and (iv) ensure that its subcontractors agree to submit Standard Forms 294 and 295.

(11) A recitation of the types of records the offeror will maintain to demonstrate procedures that have been adopted to comply with the requirements and goals in the plan, including establishing source lists; and a description of its efforts to locate small, small disadvantaged and women-owned small business concerns and award subcontracts to them. The records shall include at least the following (on a plant-wide or company-wide basis, unless otherwise indicated):

(i) Source lists (e.g., PASS), guides, and other data that identify small, small disadvantaged and women-owned small business concerns.

(ii) Organizations contacted in an attempt to locate sources that are small, small disadvantaged or women-owned small business concerns.

(iii) Records on each subcontract solicitation resulting in an award of more than \$100,000, indicating (A) whether small business concerns were solicited and if not, why not, (B) whether small disadvantaged business concerns were solicited and if not, why not, (C) whether women-owned small business concerns were solicited and if not, why not, and (D) if applicable, the reason award was not made to a small business concern.

(iv) Records of any outreach efforts to contact (A) trade associations, (B) business development organizations, and (C) conferences and trade fairs to locate small, small disadvantaged and women-owned small business sources.

(v) Records of internal guidance and encouragement provided to buyers through (A) workshops, seminars, training, etc., and (B) monitoring performance to evaluate compliance with the program's requirements.

(vi) On a contract-by-contract basis, records to support award data submitted by the offeror to the Government, including the name, address, and business size of each subcontractor. Contractors having company or division-wide annual plans need not comply with this requirement.

(e) In order to effectively implement this plan to the extent consistent with efficient contract performance, the Contractor shall perform the following functions:

(1) Assist small, small disadvantaged and women-owned small business concerns by arranging solicitations, time for the preparation of bids, quantities, specifications, and delivery schedules so as to facilitate the participation by such concerns. Where the contractor's lists of potential small, small disadvantaged and women-owned small business subcontractors are excessively long, reasonable effort shall be made to give all such small business concerns an opportunity to compete over a period of time.

(2) Provide adequate and timely consideration of the potentialities of small, small disadvantaged and women-owned small business concerns in all "make-or-buy" decisions.

(3) Counsel and discuss subcontracting opportunities with representatives of small, small disadvantaged and women-owned small business firms.

(4) Provide notice to subcontractors concerning penalties and remedies for misrepresentations of business status as small, small disadvantaged or women-owned small business for the purpose of obtaining a subcontract that is to be included as part or all of a goal contained in the Contractor's subcontracting plan.

* * * * *

(i) The failure of the Contractor or subcontractor to comply in good faith with (1) the clause of this contract entitled "Utilization Of Small, Small Disadvantaged and Women-Owned Small Business Concerns," or (2) an approved plan required by this clause, shall be a material breach of the contract.

(End of clause)

Alternate I (OCT 1995). When contracting by sealed bidding rather than by negotiation, substitute the following paragraph (c) for paragraph (c) of the basic clause:

(c) The apparent low bidder, upon request by the Contracting Officer, shall submit a subcontracting plan, where applicable, which separately addresses subcontracting with small business concerns, with small disadvantaged business concerns and with women-owned small business concerns. If the bidder is submitting an individual contract plan, the plan must separately address subcontracting with small business concerns, small disadvantaged business concerns and women-owned small business concerns, with a separate part for the basic contract and separate parts for each option (if any). The plan shall be included in and made a part of the resultant contract. The subcontracting plan shall be submitted within the time specified by the Contracting Officer. Failure to submit the subcontracting plan shall make the bidder ineligible for the award of a contract.

(a) The section heading and clause heading by removing "for Small and Small Disadvantaged Business Concerns" and revising the clause date to read "Oct. 1995".

(b) If, at contract completion, or in the case of a commercial product plan, at the close of the fiscal year for which the plan is applicable, the Contractor has failed to meet

its subcontracting goals and the Contracting Officer decides in accordance with paragraph (c) of this clause that the Contractor failed to make a good faith effort to comply with its subcontracting plan, established in accordance with the clause in this contract entitled "Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan," the Contractor shall pay the Government liquidated damages in an amount stated. * * *

* * * * *

(d) With respect to commercial product plans; *i.e.*, company-wide or division-wide subcontracting plans approved under paragraph (g) of the clause in this contract entitled "Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan," the Contracting Officer of the agency that originally approved the plan will exercise the functions of the Contracting Officer under this clause on behalf of all agencies that awarded contracts covered by that commercial product plan.

GENERAL INSTRUCTIONS

1. This report is not required from small businesses.
2. This report is not required for commercial products for which a company-wide annual plan (i.e., a Commercial Products Plan) has been approved, nor from large businesses in the Department of Defense (DOD) Test Program for Negotiation of Comprehensive Subcontracting Plans. The Summary Subcontract Report (SF 295) is required for contractors operating under one of these two conditions and should be submitted to the Government in accordance with the instructions on that form.
3. This form collects subcontract award data from prime contractors/subcontractors that: (a) hold one or more contracts over \$500,000 (over \$1,000,000 for construction of a public facility); and (b) are required to report subcontracts awarded to Small Business (SB), Small Disadvantaged Business (SDB), and Women-Owned Small Business (WOSB) concerns under a subcontracting plan. For the Department of Defense (DOD), the National Aeronautics and Space Administration (NASA), and the Coast Guard, this form also collects subcontract award data for Historically Black Colleges and Universities (HBCUs) and Minority Institutions (MIs).
4. This report is required for each contract containing a subcontracting plan and must be submitted to the administrative contracting officer (ACO) or contracting officer if no ACO is assigned, semi-annually during contract performance for the periods ended March 31st and September 30th. A separate report is required for each contract at contract completion. Reports are due 30 days after the close of each reporting period unless otherwise directed by the contracting officer. Reports are required when due, regardless of whether there has been any subcontracting activity since the inception of the contract or since the previous report.
5. Only subcontracts involving performance within the U.S., its possessions, Puerto Rico, and the Trust Territory of the Pacific Islands should be included in this report.
6. Purchases from a corporation, company, or subdivision that is an affiliate of the prime/subcontractor are not included in this report.
7. Subcontract award data reported on this form by prime contractors/subcontractors shall be limited to awards made to their immediate subcontractors. Credit cannot be taken for awards made to lower tier subcontractors.

SPECIFIC INSTRUCTIONS

- BLOCK 2:** Enter the nine-position Contractor Establishment Code (CEC) that identifies the specific contractor establishment. (The CEC consists of eight digits followed by one letter. It is the responsibility of the contracting activity to obtain the CEC for a company that does not have one. The CEC is to coincide with the address in Block 1.)
- BLOCK 4:** Check only one. Note that all subcontract award data reported on this form represents activity since the inception of the contract through the date indicated in this block.
- BLOCK 5:** Check whether this report is a "Regular," "Final," and/or "Revised" report. A "Final" report should be checked only if the contractor has completed the contract or subcontract reported in Block 7. A "Revised" report is a change to a report previously submitted for the same period.
- BLOCK 6:** Identify the department or agency administering the majority of subcontracting plans.
- BLOCK 7:** Indicate whether the reporting contractor is submitting this report as a prime contractor or subcontractor and the prime contract or subcontract number.
- BLOCK 8:** Enter the name and address of the Federal department or agency awarding the contract or the prime contractor awarding the subcontract.
- BLOCK 9:** Check the appropriate block to indicate whether indirect costs are included in the dollar amounts in blocks 10a through 12. To ensure comparability between the goal and actual columns, the contractor may include indirect costs in the actual column only if the subcontracting plan included indirect costs in the goal.

BLOCKS 10a through 12: Under "Current Goal," enter the dollar and percent goals in each category (SB, SDB, and, WOSB) from the subcontracting plan approved for this contract. (If the original goals agreed upon at contract award have been revised as a result of contract modifications, enter the original goals in Block 13. The amounts entered in Blocks 10a through 12 should reflect the revised goals.) Under "Actual Cumulative," enter actual subcontract achievements (dollar and percent) from the inception of the contract through the date of the report shown in Block 4. In cases where indirect costs are included, the amounts should include both direct awards and an appropriate prorated portion of indirect awards.

BLOCK 10a: Report all subcontracts awarded to SBs including subcontracts to SDBs and WOSBs. For DOD, NASA, and Coast Guard contracts, include subcontracting awards to HBCUs and MIs.

BLOCK 10b: Report all subcontracts awarded to large businesses (LBs).

BLOCK 10c: Report on this line the total of all subcontracts awarded under this contract (the sum of lines 10a and 10b).

BLOCKS 11 and 12: Each of these items is a subcategory of Block 10a. Note that in some cases the same dollars may be reported in both Block 11 and Block 12 (i.e., SDBs owned by women).

BLOCK 11: Report all subcontracts awarded to SDBs (including women-owned SDBs). For DOD, NASA, and Coast Guard contracts, include subcontract awards to HBCUs and MIs.

BLOCK 12: Report all subcontracts awarded to Women-Owned firms (including SDBs owned by women).

BLOCK 13: Enter a short narrative explanation if (a) SB, SDB, or WOSB accomplishments fall below that which would be expected using a straight-line projection of goals through the period of contract performance; or (b) if this is a final report, any one of the three goals was not met.

SPECIAL INSTRUCTIONS FOR COMMERCIAL PRODUCTS PLANS**DEFINITIONS**

1. Commercial products means products sold in substantial quantities to the general public and/or industry at established catalog or market prices.
2. Subcontract means a contract, purchase order, amendment, or other legal obligation executed by the prime contractor/subcontractor calling for supplies or services required for the performance of the original contract or subcontract.
3. Direct Subcontract Awards are those that are identified with the performance of one or more specific Government contract(s).
4. Indirect costs are those which, because of incurrence for common or joint purposes, are not identified with specific Government contracts; these awards are related to Government contract performance but remain for allocation after direct awards have been determined and identified to specific Government contracts.

Federal Acquisition Regulation; Publicizing Contract Actions

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council have agreed to a final rule to revise FAR section 5.207(b)(4), Preparation and transmittal of synopses. The revision deletes the requirement for the Federal Information Processing Standard (FIPS) Number in Commerce Business Daily synopses and, in lieu thereof, requests Government Printing Office (GPO) Billing Account Code information.

EFFECTIVE DATE: October 1, 1995.

FOR FURTHER INFORMATION CONTACT: Mr. Ralph De Stefano at (202) 501-1758 in reference to this FAR case. For general information, contact the FAR Secretariat, Room 4037, GS Building, Washington, DC 20405 (202) 501-4755. Please cite FAC 90-32, FAR case 95-606, Publicizing Contract Actions.

SUPPLEMENTARY INFORMATION:

A. Background

For approximately 45 years, the Commerce Business Daily (CBD) has provided free printing services to the agencies. During this period, printing expenses were paid with appropriated funds. Beginning October 1, 1995, the CBD will no longer receive appropriated funds for this purpose, and the Department of Commerce will be required to charge agencies a fee for printing services. The cost will be a flat rate of \$18 per notice and bills will be sent to the agency that issues the notice. The Government Printing Office (GPO) has agreed to provide billing and collection services and, in order to facilitate this, agencies will need to include their GPO account number in all CBD notices. The proposed changes to the FAR will enable GPO to properly bill and collect from the individual agency that has placed a CBD notice.

B. Regulatory Flexibility Act

The final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Public Law 98-577 and publication for public comment is not required. Therefore, the Regulatory Flexibility Act does not apply. However, comments from small entities concerning the affected FAR subpart will be considered in accordance with 5 U.S.C. 610 of the Act. Such comments must be submitted separately and cite FAR case 95-606 in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act (Pub. L. 96-511) does not apply because this final rule imposes no new reporting requirements or collections of information from offerors, contractors, or members of the public which require the approval of OMB under 44 U.S.C. 3501, *et seq.*

SUPPLEMENTARY INFORMATION:

A. Background

The Federal Acquisition Streamlining Act of 1994, Pub. L. 103-355 (the Act), provides authorities that streamline the acquisition process and minimize burdensome government-unique requirements.

This notice announces revisions developed under FAR case 94-762. The following sections of the Federal Acquisition Streamlining Act are implemented by this final rule:

Section 2091 of the Act changed section 806, subsection (c), of the Fiscal Years 1992 and 1993 Defense Authorization Act by striking the existing subsection (c) and inserting a
