**Texas-New Mexico Power Company and Texas Generating Company II; Notice of Amended Application**

September 12, 1995.

Take notice that on September 8, 1995, Texas-New Mexico Power Company (TNP) and Texas Generating Company II (TGC II) filed amendments the application filed in Docket No. ES95-37-000. Such amendments provide explanations of both an existing credit agreement which was authorized by the Commission in Docket No. ES94-12-000 et al.<sup>1</sup> and an amended credit agreement which TNP and TGC II are proposing to enter into. The amendments differentiate between the two agreements, as well as noting the anticipated benefits to be realized by entry into the proposed amended credit agreement. TNP notes that entry into the amended credit agreement will allow the refinancing of currently outstanding long-term debt with debt under the amended credit agreement which will bear a cost lower than the existing long-term debt. TNP also notes that its long-term debt is not anticipated to be of investment grade until 1998 and would therefore have a cost higher than the
