**Notice of Postponement of Preliminary Determinations: Antidumping Duty Investigations of Circular Welded Non-Alloy Steel Pipe From Romania and South Africa**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** John Beck or Jennifer Stagner, Office of Antidumping Investigations, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone (202) 482-3464 or (202) 482-1673, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA).

**SUMMARY:** The Department of Commerce (the Department) is postponing its preliminary determinations in the antidumping duty investigations of circular welded non-alloy steel pipe from Romania and South Africa. The deadline for issuing these preliminary determinations is now no later than November 15, 1995.

**SUPPLEMENTARY INFORMATION:** On May 16, 1995, the Department initiated antidumping duty investigations of circular welded non-alloy steel pipe from Romania and South Africa (60 FR 27078, May 22, 1995). The notice stated that we would issue our preliminary determinations on October 5, 1995.

On June 12, 1995, the U.S. International Trade Commission determined that there was a reasonable indication that an industry in the United States is materially injured or threatened with material injury by reason of imports of circular welded non-alloy steel pipe from Romania and South Africa.

**Postponement of Preliminary Determination**

We have determined that the investigations are extraordinarily complicated within the meaning of section 733(c)(1)(B)(i) of the Act. Given the non-market economy status of Romania, the nature of government ownership of the participating companies raises novel issues which must be further examined. In addition, establishing surrogate values for the factors of production is complex and will require additional time.

For South Africa, we find that additional time is necessary to make the preliminary determination due to the novelty of issues presented in this case. The questionnaire used in this investigation was significantly revised to reflect the changes mandated by the URAA. Since issuing this questionnaire to the respondents, we have discovered that it contains certain ambiguities. Accordingly, we need additional time to issue clarified questions to the respondents, to allow them to submit responses, and to incorporate this information into our analysis for purposes of the preliminary determination.

Furthermore, we have determined that the parties concerned are cooperating, as required by section 733(c)(1)(B)(i) of the Act, and that additional time is necessary to make these preliminary determinations in accordance with section 733(c)(1)(B)(ii) of the Act.

For these reasons, the deadline for issuing these determinations is now no later than November 15, 1995.

This notice is published pursuant to section 733(c)(2) of the Act.

Dated September 14, 1995.

Barbara R. Stafford,  
*Deputy Assistant Secretary for Investigations, Import Administration.*

**Determination Not to Revoke Antidumping Duty Orders and Findings Nor to Terminate Suspended Investigations**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Determination Not to Revoke Antidumping Duty Orders and Findings Nor to Terminate Suspended Investigations.

**SUMMARY:** The Department of Commerce is notifying the public of its determination not to revoke the

antidumping duty orders and findings nor to terminate the suspended investigations listed below.

**EFFECTIVE DATE:** September 20, 1995.

**FOR FURTHER INFORMATION CONTACT:** Michael Panfeld or the analyst listed under Antidumping Proceeding at: Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-4737.

**SUPPLEMENTARY INFORMATION:** The Department of Commerce (the Department) may revoke an antidumping duty order or finding or terminate a suspended investigation, pursuant to 19 CFR § 353.25(d)(4)(iii), if no interested party has requested an administrative review for four consecutive annual anniversary months and no domestic interested party objects to the revocation or requests an administrative review.

We had not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months. Therefore, pursuant to § 353.25(d)(4)(i) of the Department's regulations, on August 1, 1995, we published in the Federal Register a notice of intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations and served written notice of the intent to each domestic interested party on the Department's service list in each case. Within the specified time frame, we received objections from domestic interested parties to our intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations. Therefore, because domestic interested parties objected to our intent to revoke or terminate, we no longer intend to revoke these antidumping duty orders and findings or to terminate the suspended investigations.

**Replacement Parts for Self-Propelled Bituminous Paving Equipment From Canada; Termination of Antidumping Duty Administrative Reviews, Final Results of Changed Circumstances Antidumping Duty Administrative Review, and Revocation of Antidumping Duty Finding**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Termination of Antidumping Duty Administrative Reviews, Final Results of Changed Circumstances Antidumping Duty Administrative Review, and Revocation of Antidumping Duty Finding.

**SUMMARY:** On September 7, 1977, the U.S. Treasury Department (Treasury) published an antidumping duty finding on replacement parts for self-propelled bituminous paving equipment (hereinafter "paving parts") from Canada. On October 22, 1992, and on October 18, 1993, the Department of Commerce (the Department) initiated administrative reviews of the antidumping duty finding covering the periods September 1, 1991 through August 31, 1992 (1991-92), and September 1, 1992 through August 31, 1993(1992-93), respectively. On August 23, 1995, the Department initiated a

changed circumstances antidumping duty administrative review and issued the preliminary results of changed circumstances antidumping duty administrative review stating its intent to revoke the antidumping duty finding based on petitioner's request of August 1, 1995. We are now revoking the finding, effective September 1, 1991, based on the fact that the finding is no longer of interest to domestic parties. As a result, we are also terminating the two ongoing reviews.

**EFFECTIVE DATE:** September 20, 1995.

**FOR FURTHER INFORMATION CONTACT:** Gayle Longest or Kelly Parkhill, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-2786.

**SUPPLEMENTARY INFORMATION:**

**Background**

On September 7, 1977, Treasury published an antidumping duty finding on paving parts from Canada (42 FR 41811). On September 11, 1992, Blaw-Knox Construction Equipment Corporation (Blaw-Knox), the petitioner, and on September 28, 1992, the Allatt Paving Equipment Division of Ingersoll-Rand (IR), the respondent, requested an administrative review of the antidumping duty finding, covering the period September 1, 1991 through August 31, 1992. On October 22, 1992, the Department initiated the administrative review (57 FR 48201). On September 21, 1993, and September 30, 1993, IR and Blaw-Knox, respectively, requested an administrative review of the antidumping duty finding covering the period September 1, 1992 through August 31, 1993. On October 18, 1993, the Department initiated this administrative review (58 FR 53710).

On August 1, 1995, Blaw-Knox, the petitioner in this proceeding, submitted a request for a changed circumstances administrative review to revoke the finding on paving parts from Canada. In addition, Blaw-Knox requested that the revocation be effective retroactively to September 1, 1991, thereby terminating the currently pending 1991-92 and 1992-93 administrative reviews. Blaw-Knox made this request based on the fact that the finding on paving parts is no longer of interest to the petitioner.

Pursuant to 19 CFR 353.25(d)(1), we preliminarily determined that Blaw-Knox's affirmative statement of no interest constitutes good cause for conducting a changed circumstances review. Consequently, on August 23, 1995, the Department published a notice

of initiation and preliminary results of changed circumstances antidumping duty administrative review stating its intent to revoke the finding (60 FR 43772). We gave interested parties an opportunity to comment on the preliminary results of this changed circumstances review. We received no comments.

**Scope of Review**

The merchandise covered by this changed circumstances review is replacement parts for self-propelled bituminous paving equipment from Canada, excluding attachments and parts for attachments. This merchandise is currently classified under Harmonized Tariff Schedule (HTS) item numbers 4016.93.10, 7315.11.00, 7315.89.50, 7315.90.00, 8336.50.00, 8479.99.00, 8481.20.00, 8482.10.10, 8483.90.90, 8539.29.20, 8544.20.00, 8544.41.00, 8544.51.80, 8544.60.20, and 9015.30.40. The HTS item numbers are provided for convenience and Customs purposes. The written description remains dispositive.

This changed circumstances administrative review covers all manufacturers/exporters of replacement parts for self-propelled bituminous paving equipment from Canada.

**Final Results of Review; Revocation of Antidumping Duty Finding; Termination of Antidumping Duty Administrative Reviews**

The evidence of record indicates that the finding is no longer of interest to interested parties, as defined in paragraphs (k)(3), (k)(4), (k)(5), and (k)(6) of section 353.2 of the Department's regulations. Therefore, the Department is revoking the finding on paving parts from Canada in accordance with sections 751(d) and 782(h) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 353.25(d)(1). This revocation applies to all entries of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after September 1, 1991. Accordingly, the Department is terminating the 1991-92 and 1992-93 reviews.

The Department will instruct the U.S. Customs Service (Customs) to proceed with liquidation, without regard to antidumping duties, of all unliquidated entries of paving parts from Canada entered, or withdrawn from warehouse, for consumption on or after September 1, 1991. The Department will further instruct Customs to refund with interest any estimated duties collected with respect to unliquidated entries of paving parts from Canada entered, or withdrawn from warehouse, for
