Notice of Postponement of Preliminary Determinations: Antidumping Duty Investigations of Circular Welded Non-Alloy Steel Pipe From Romania and South Africa

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: John Beck or Jennifer Stagner, Office of Antidumping Investigations, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone (202) 482-3464 or (202) 482-1673, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA).

SUMMARY: The Department of Commerce (the Department) is postponing its preliminary determinations in the antidumping duty investigations of circular welded non-alloy steel pipe from Romania and South Africa. The deadline for issuing these preliminary determinations is now no later than November 15, 1995.

SUPPLEMENTARY INFORMATION: On May 16, 1995, the Department initiated antidumping duty investigations of circular welded non-alloy steel pipe from Romania and South Africa (60 FR 27078, May 22, 1995). The notice stated that we would issue our preliminary determinations on October 5, 1995.

On June 12, 1995, the U.S. International Trade Commission determined that there was a reasonable indication that an industry in the United States is materially injured or threatened with material injury by reason of imports of circular welded non-alloy steel pipe from Romania and South Africa.

Postponement of Preliminary Determination

We have determined that the investigations are extraordinarily complicated within the meaning of section 733(c)(1)(B)(i) of the Act. Given the non-market economy status of Romania, the nature of government ownership of the participating companies raises novel issues which must be further examined. In addition, establishing surrogate values for the factors of production is complex and will require additional time.

For South Africa, we find that additional time is necessary to make the preliminary determination due to the novelty of issues presented in this case. The questionnaire used in this investigation was significantly revised to reflect the changes mandated by the URAA. Since issuing this questionnaire to the respondents, we have discovered that it contains certain ambiguities. Accordingly, we need additional time to issue clarified questions to the respondents, to allow them to submit responses, and to incorporate this information into our analysis for purposes of the preliminary determination.

Furthermore, we have determined that the parties concerned are cooperating, as required by section 733(c)(1)(B)(i) of the Act, and that additional time is necessary to make these preliminary determinations in accordance with section 733(c)(1)(B)(ii) of the Act.

For these reasons, the deadline for issuing these determinations is now no later than November 15, 1995.

This notice is published pursuant to section 733(c)(2) of the Act.

Dated September 14, 1995.

Barbara R. Stafford,
Deputy Assistant Secretary for Investigations, Import Administration.

BILLING CODE 3510-DS-P

Determination Not to Revoke Antidumping Duty Orders and Findings Nor to Terminate Suspended Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Determination Not to Revoke Antidumping Duty Orders and Findings Nor to Terminate Suspended Investigations.

SUMMARY: The Department of Commerce is notifying the public of its determination not to revoke the

antidumping duty orders and findings nor to terminate the suspended investigations listed below.

EFFECTIVE DATE: September 20, 1995.

FOR FURTHER INFORMATION CONTACT: Michael Panfeld or the analyst listed under Antidumping Proceeding at: Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-4737.

SUPPLEMENTARY INFORMATION: The Department of Commerce (the Department) may revoke an antidumping duty order or finding or terminate a suspended investigation, pursuant to 19 CFR § 353.25(d)(4)(iii), if no interested party has requested an administrative review for four consecutive annual anniversary months and no domestic interested party objects to the revocation or requests an administrative review.

We had not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months. Therefore, pursuant to § 353.25(d)(4)(i) of the Department's regulations, on August 1, 1995, we published in the Federal Register a notice of intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations and served written notice of the intent to each domestic interested party on the Department's service list in each case. Within the specified time frame, we received objections from domestic interested parties to our intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations. Therefore, because domestic interested parties objected to our intent to revoke or terminate, we no longer intend to revoke these antidumping duty orders and findings or to terminate the suspended investigations.
