

effectiveness of the proposed uses of these funds will be a consideration in the evaluation of proposals.

The selection criteria contained in the FHWA's November 24, 1992, Federal Register notice will continue to be used as general selection criteria for implementation. However, clear priority will be given to projects that can be implemented during fiscal year (FY) 1996 so that the FHWA can evaluate data prior to expiration of ISTEA. Therefore, applications for FY 1996 revenue reserve funding for toll roads should be submitted by October 31, 1995, or as soon thereafter as possible. Proposals should include a brief discussion of the tolling strategy, expected timing of implementation, proposed fund management plan, and approvals needed. Any remaining program funds would continue to be available for pre-project and implementation efforts that would come later than FY 1996. To obtain further information or discuss potential revenue reserve fund projects contact Mr. John T. Berg at the address provided under **FOR FURTHER INFORMATION CONTACT.**
