Notice of Realty Action

Summary: Revision of Park Boundary, Gateway National Recreation Area.

Location: Gateway National Recreation Area, Staten Island Unit, Richmond County, New York.

Whereas, on August 24, 1994, the National Park Service published in the Federal Register at Volume 59, No. 163, pages 43588 and 43589, a minor boundary adjustment for Gateway National Recreation Area that excluded approximately one third of Fort Wadsworth from the Recreation Area.

Whereas, the National Park Service at that time concluded that the construction of approximately 1 million square feet of contemporary building space had changed the nature and use of the area significantly, since the boundaries were drawn by Public Law 92-592, making parts of Fort Wadsworth no longer currently suitable for park purposes.

Whereas, at that time, the Department of the Navy planned to declare the entirety of Naval Station New York to be surplus to the needs of the Department of Defense and transfer the same to the National Park Service under Public Law 92-592.

Whereas, the Department of the Navy has now determined that certain portions of Fort Wadsworth are not surplus to the needs of the Department of Defense and will be transferred to the Department of the Army and the United States Coast Guard.

Whereas, the remaining property will be transferred to the National Park Service and is consistent with park purposes.

Whereas, it has been determined that it is in the best interests of the National Park Service at this time to establish the boundaries of Gateway National Recreation Area consistent with the statutory boundaries of Public Law 92-592.

Whereas, Public Law 92-592, dated October 27, 1972, established the Gateway National Recreation Area,

Whereas, Section 1(b) of said Act authorizes minor boundary revisions of the recreation area,

Whereas, the Committee on Energy and Natural Resources, United States Senate and the Committee on Resources, United States House of Representatives were advised by letters of September 1995, that the Secretary intended to
