

was lodged with the United States District Court for the District of Connecticut. The proposed Settlement Agreement resolves the governments' claims against five *de minimis* generators alleged to have disposed of hazardous substances at the Yaworski Lagoon Site located in Windham County, Connecticut for their failure to comply with a Consent Decree entered in 1990. The original action was brought pursuant to the Comprehensive Environmental Response, Compensation and Liability Act, as amended.

Under the terms of the Settlement Agreement, Triangle Wire & Cable, Inc., Kaman Aerospace Corp., Rogers Corp., C&M Corp. and Ross & Roberts, Inc. will reimburse the United States \$310,903 for costs to be incurred in the future at the Site to complete the response actions there. The settlement payment is based on the settlers' volumetric share of estimated future response costs.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Settlement Agreement. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Department of Justice, Ben Franklin Station, Washington, D.C. 20044, and should refer to *United States v. Yaworski*, D.J. Ref. 90-11-2-307A.

The proposed Settlement Agreement may be examined at the Region 1 Office of the Environmental Protection Agency, One Congress Street, Boston, Massachusetts. Copies of the Settlement Agreement may be examined at the Environmental Enforcement Section Document Center, 1120 G Street NW., 4th Floor, Washington, D.C. 20005, (202) 624-0892. A copy of the proposed Settlement Agreement may be obtained in person or by mail from the Document Center. In requesting a copy, please refer to the referenced case and enclose a check in the amount of \$14.00 (25 cents per page reproduction cost) made payable to Consent Decree Library. Bruce Gelber,

Acting Section Chief, Environment and Natural Resources Division.

Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of September, 1995.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

Also, pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance hereinafter called (NAFTA-TAA) and in accordance with Section 250(a) Subchapter D, Chapter 2, Title II, of the Trade Act as amended, the Department of Labor presents summaries of determinations regarding eligibility to apply for NAFTA-TAA

issued during the month of August and September, 1995.

In order for an affirmative determination to be made and a certification of eligibility to apply for NAFTA-TAA the following group eligibility requirements of Section 250 of the Trade Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, (including workers in any agricultural firm or appropriate subdivision thereof) have become totally or partially separated from employment and either—

(2) That sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) That imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased, and that the increases in imports contributed importantly to such workers' separations or threat of separation and to the decline in sales or production of such firm or subdivision; or

(4) That there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

NEGATIVE DETERMINATIONS NAFTA-TAA

In each of the following cases the investigation revealed that criteria (3) and (4) were not met. Imports from Canada or Mexico did not contribute importantly to workers' separations. There was no shift in production from the subject firm to Canada or Mexico during the relevant period.

NAFTA-TAA-00550; *Jakel, Inc., Ramer, TN*

In the following cases, the investigation revealed that the criteria for eligibility have not been met for the reasons specified.
