

publication, or the first workday thereafter. Case briefs or other written comments, from interested parties may be submitted not later than 30 days after the date of publication of this notice. Rebuttal briefs and rebuttal comments, limited to issues raised in the case briefs, may be filed not later than 37 days after the date of publication. The Department will publish the final results of review, including the results of its analysis of issues raised in any such written comments or hearing.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: September 15, 1995.

Amended Final Determinations of Sales at Less Than Fair Value and Antidumping Orders: Certain Corrosion-Resistant Carbon Steel Flat Products and Certain Cut-to-Length Carbon Steel Plate From Canada

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On July 11, 1995, the U.S.-Canada Binational Panel ("Panel") affirmed the Department of Commerce's ("the Department") remand determinations in these cases. On August 23, 1995, the Binational Secretariat, United States Section, published a notice of completion of panel review and noted that no request for an extraordinary challenge committee had been filed. (Notice of Completion of Panel Review, 60 FR 43773). As a result, the Department is amending the final determination of sales at less than fair value with respect to corrosion-resistant carbon steel flat products and cut-to-length carbon steel plate from Canada. For all entries made on or after the date of publication of this

notice, Commerce will direct the U.S. Customs Service ("Customs") to require a cash deposit for each entry in an amount equal to the estimated antidumping duty margins as described in the "Suspension of Liquidation" section of this notice.

EFFECTIVE DATE: September 26, 1995.

SUPPLEMENTARY INFORMATION:

Background

On July 9, 1993, the Department published a notice of its Final Determination of Sales at Less than Fair Value covering, among other products, certain corrosion-resistant carbon steel flat products and certain cut-to-length carbon steel plate from Canada. 58 FR 37099.

The Department's determination subsequently was appealed to a U.S.-Canada Binational Panel, pursuant to Article 1904 of the United States-Canada Free Trade Agreement and title IV of the United States-Canada Free Trade Implementation Act of 1988, 19 U.S.C. 1516a(g)(1989). On April 1, 1994, the Department published an amended determination pursuant to an order from the Panel, correcting certain ministerial errors. 59 FR 15373. On October 31, 1994 and May 1, 1995, the Panel remanded the determination so that the Department could address certain issues regarding the calculation of the weighted-average dumping margins for certain respondents in this proceeding. On January 30, 1995 and May 31, 1995, the Department issued its final remand determinations with recalculated estimated margins. The Panel affirmed the Department's remand determination on July 11, 1995. No request for an extraordinary challenge has been filed and a Notice of Completion of Panel Review has been published by the Binational Secretariat.

Suspension of Liquidation

Since the panel proceedings are now final, we are directing Customs to require a cash deposit in an amount equal to:

Producer/manufacturer/exporter	Weighted-average margin percentage
Corrosion-Resistant Steel Flat Products: Dofasco	11.71

Producer/manufacturer/exporter	Weighted-average margin percentage
Stelco	22.70
All Others	18.71
Cut-to-Length Carbon Steel Plate:	
IPSCO	0.06
Stelco	68.70
All Others	61.88

We will instruct Customs to continue to suspend liquidation and collect cash deposits at the above rates for all entries of corrosion-resistant carbon steel flat products and cut-to-length carbon steel plate from Canada entered or withdrawn from warehouse for consumption, on or after the date of publication of this notice. Because IPSCO's rate is *de minimis*, IPSCO is excluded from the antidumping duty order on plate from Canada. We will instruct Customs to cease suspension of liquidation and collection of cash deposits and to liquidate all suspended entries of IPSCO plate without regard to antidumping duties.

Dated: September 15, 1995.

Susan G. Esserman,
Assistant Secretary for Import Administration.
