#### Recreational Use Restrictions for the Fisher Creek Area, Colorado

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Area closure and restriction order.

**SUMMARY:** This order closes and restricts certain recreational uses and activities on approximately 1,040 acres of reconveyed public land in the Glenwood Springs Resource Area, Grand Junction District. It establishes an Off Highway Vehicle (OHV) use

designation pursuant 43 CFR 8341.2(a), and establishes rules of conduct pursuant 43 CFR 8464.1 for the use of motorized and non-motorized mechanized vehicles, cross country skiing, camping, and dogs.

The affected public land is generally located in T 6 S, R 88 W Sec 35 S $\frac{1}{2}$ SW $\frac{1}{4}$  portion south of County Rd. 115, Sec 36 SW $\frac{1}{4}$ SE $\frac{1}{4}$ ; T 7 S, R 88 W, Sec 1 N $\frac{1}{2}$  portion west of County Rd. 114, N $\frac{1}{2}$ SW $\frac{1}{4}$ , NW $\frac{1}{4}$ SE $\frac{1}{4}$ , Sec 2 S $\frac{1}{2}$ NE $\frac{1}{4}$ , NW $\frac{1}{4}$ NE $\frac{1}{4}$ , NW $\frac{1}{4}$ , N $\frac{1}{2}$ S $\frac{1}{2}$ , Sec 3 E $\frac{1}{2}$ NE $\frac{1}{4}$ , 6th P. M., Garfield County.

**EFFECTIVE DATES:** The closure and use restrictions shall be effective immediately until rescinded or modified by the Authorized Officer.

**SUPPLEMENTARY INFORMATION:** The affected land was acquired through a land exchange primarily to protect wildlife habitat and open space values, including critical winter range for deer and elk. Recreational use of the area is expected to occur as public awareness of the affected land increases, and visitor management is needed to prevent potential conflicts with wildlife habitat values, and to protect property, public lands and resources. The year round restriction on use of motor vehicles will discourage trash dumping, vandalism and other potential undesirable activities, and prevent conflicts with wintering deer and elk. Additionally, the existing roads are unmaintained and would quickly deteriorate if left open to use of vehicles. The winter restriction on cross country skiing and dogs will also reduce the amount of stress on wintering deer and elk. The camping restriction along the Fisher Cemetery Road would discourage human occupancy and help protect natural open space and wildlife habitat values.

The area, roads and trails affected by this order will be posted with appropriate regulatory signs. Information including maps of the restricted area is available in the Resource Area Office and District Office at the addresses shown below.

The Fisher Creek Area described herein will be subject to the following closure and use restrictions:

- (1) All motorized vehicle use shall be prohibited year round including snowmobiles operating on snow.
- (2) Non-motorized mechanized vehicle use shall be allowed on existing trails, but travel by such vehicles off the designated trails shall be prohibited. Non-motorized mechanized vehicle use shall be prohibited during the winter from December 1 to April 30.
- (3) Cross country skiing shall be prohibited.

(4) Dogs shall not be brought into the area during the winter from December 1 to April 30.

(5) Camping along the Fisher Cemetery Road and within 200 ft. of water sources shall be prohibited.

Persons who are exempt from these restrictions include any Federal, State, or local officers engaged in fire, emergency and law enforcement activities; BLM employees engaged in official duties, and other persons specifically authorized to conduct or engage in the otherwise prohibited activity. The motor vehicle use restrictions do not apply to the Fisher Cemetery Road. Persons may use and operate motor vehicles on places provided for that purpose at designated public access points into the area.

**PENALTIES:** Violations of this closure and restriction order are punishable by fines not to exceed \$1,000 and/or imprisonment not to exceed 12 months.
