

dated May 24, 1977 (42 FR 26961), and the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1713, 1718, 1719, this sale will be subject to a permanent restriction which constitutes a covenant running with the land for the purpose of protecting and preserving the wetland area. The land may not be used for the construction or placement of any buildings, structures, facilities, or other improvements, including fences, and that "new construction" on the land as defined in Section 7(b) of Executive Order 11990 is prohibited. The restriction applies to the drainage channel, which is approximately 337 feet in length and 8 feet in width, total acreage .062, located in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$  of section 33, T. 21 N., R. 116 W.

There will be no cancellation of existing federal grazing rights. Those AUMs associated with the above referenced parcel will be absorbed by the operators in the balance of the Cumberland Allotment.

Upon publication of this notice in the Federal Register, the above described land will be segregated from all forms of appropriation under the public land laws, including the general mining laws, except for leasing under the mineral leasing laws.

For a 45 day period ending on November 13, 1995, interested parties may submit comments to the District Manager, Rock Springs District, Bureau of Land Management, P.O. Box 1869, Rock Springs, Wyoming 82901.

Any adverse comments will be evaluated by the State Director who may sustain, vacate, or modify this realty action. In the absence of any objections, this proposed realty action will become final.

Dated: September 12, 1995.

Jeffrey M. Rawson,  
Area Manager.

#### [CO-070]

#### Recreational Use Restrictions for the Fisher Creek Area, Colorado

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Area closure and restriction order.

**SUMMARY:** This order closes and restricts certain recreational uses and activities on approximately 1,040 acres of reconveyed public land in the Glenwood Springs Resource Area, Grand Junction District. It establishes an Off Highway Vehicle (OHV) use

designation pursuant 43 CFR 8341.2(a), and establishes rules of conduct pursuant 43 CFR 8464.1 for the use of motorized and non-motorized mechanized vehicles, cross country skiing, camping, and dogs.

The affected public land is generally located in T 6 S, R 88 W Sec 35 S $\frac{1}{2}$ SW $\frac{1}{4}$  portion south of County Rd. 115, Sec 36 SW $\frac{1}{4}$ SE $\frac{1}{4}$ ; T 7 S, R 88 W, Sec 1 N $\frac{1}{2}$  portion west of County Rd. 114, N $\frac{1}{2}$ SW $\frac{1}{4}$ , NW $\frac{1}{4}$ SE $\frac{1}{4}$ , Sec 2 S $\frac{1}{2}$ NE $\frac{1}{4}$ , NW $\frac{1}{4}$ NE $\frac{1}{4}$ , NW $\frac{1}{4}$ , N $\frac{1}{2}$ S $\frac{1}{2}$ , Sec 3 E $\frac{1}{2}$ NE $\frac{1}{4}$ , 6th P. M., Garfield County.

**EFFECTIVE DATES:** The closure and use restrictions shall be effective immediately until rescinded or modified by the Authorized Officer.

**SUPPLEMENTARY INFORMATION:** The affected land was acquired through a land exchange primarily to protect wildlife habitat and open space values, including critical winter range for deer and elk. Recreational use of the area is expected to occur as public awareness of the affected land increases, and visitor management is needed to prevent potential conflicts with wildlife habitat values, and to protect property, public lands and resources. The year round restriction on use of motor vehicles will discourage trash dumping, vandalism and other potential undesirable activities, and prevent conflicts with wintering deer and elk. Additionally, the existing roads are unmaintained and would quickly deteriorate if left open to use of vehicles. The winter restriction on cross country skiing and dogs will also reduce the amount of stress on wintering deer and elk. The camping restriction along the Fisher Cemetery Road would discourage human occupancy and help protect natural open space and wildlife habitat values.

The area, roads and trails affected by this order will be posted with appropriate regulatory signs. Information including maps of the restricted area is available in the Resource Area Office and District Office at the addresses shown below.

The Fisher Creek Area described herein will be subject to the following closure and use restrictions:

- (1) All motorized vehicle use shall be prohibited year round including snowmobiles operating on snow.
- (2) Non-motorized mechanized vehicle use shall be allowed on existing trails, but travel by such vehicles off the designated trails shall be prohibited. Non-motorized mechanized vehicle use shall be prohibited during the winter from December 1 to April 30.
- (3) Cross country skiing shall be prohibited.

(4) Dogs shall not be brought into the area during the winter from December 1 to April 30.

(5) Camping along the Fisher Cemetery Road and within 200 ft. of water sources shall be prohibited.

Persons who are exempt from these restrictions include any Federal, State, or local officers engaged in fire, emergency and law enforcement activities; BLM employees engaged in official duties, and other persons specifically authorized to conduct or engage in the otherwise prohibited activity. The motor vehicle use restrictions do not apply to the Fisher Cemetery Road. Persons may use and operate motor vehicles on places provided for that purpose at designated public access points into the area.

**PENALTIES:** Violations of this closure and restriction order are punishable by fines not to exceed \$1,000 and/or imprisonment not to exceed 12 months.

**FOR FURTHER INFORMATION CONTACT:** Michael S. Mottice, Area Manager, Glenwood Springs Resource Area, 50629 Highway 6/24, P.O. Box 1009, Glenwood Springs, CO 81602; (970) 945-2341. Mark Morse, District Manager, Grand Junction District, 2815 H Road, Grand Junction, Colorado 81506; (970) 244-3000.

Mark Morse,

Grand Junction District Manager.

#### Availability of Draft Texas Resource Management Plan/Environmental Impact Statement (TX RMP/EIS)

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability and public hearings.

**SUMMARY:** The Bureau of Land Management (BLM), Tulsa District, announces the availability of the Draft Texas RMP/EIS for public review and comment. This document analyzes land use planning options for BLM managed Federal lands and minerals throughout the state of Texas.

**DATES:** Comments on the Draft RMP/EIS will be accepted if they are submitted or post-marked no later than January 06, 1996. Comments can be sent to: Paul Tanner, Assistant District Manager, Bureau of Land Management, 221 North Service Road, Moore, Oklahoma 73160, or submitted at one of six public hearings. The public hearings conducted to receive oral and written

comments on the Draft Texas RMP/EIS will be at the following locations:

Date	Time	City/location
December 5, 1995.	3:00 p.m.	Amarillo, Ramada Inn East, 2501 Interstate 40 East.
December 6, 1995.	3:00 p.m.	Midland, Best Western Midland, 3100 W. Wall.
December 7, 1995.	3:00 p.m.	Arlington, Arlington Hilton Hotel, 2401 E. Lamar Blvd.
December 12, 1995.	3:00 p.m.	Austin, Austin Hilton Towers, 6000 Middle Fiskville Road.
December 13, 1995.	3:00 p.m.	Houston, Hilton Southwest, 6780 Southwest Freeway.
December 14, 1995.	3:00 p.m.	Corpus Christi, Sheraton Corpus Christi Bayfront, 707 N. Shoreline Dr.

Oral testimony at these hearings will be limited to ten minutes per person. A copy of the Draft RMP/EIS will be sent to all individuals, Government agencies, and groups who have expressed interest in the Texas planning process.

**SUPPLEMENTARY INFORMATION:** The Draft Texas Resources Management Plan (RMP) and Environment Impact Statement (EIS) identifies and analyzes the future options for managing the Federal mineral estate situated within Texas administered by the Bureau of Land Management (BLM), Tulsa District.

The Texas RMP is being prepared using the BLM planning regulations issued under the authority of the Federal Land Policy and Management Act of 1976.

When completed, the RMP will provide a comprehensive framework for managing the Federal minerals within Texas over the next 20 years.

The contents of this Draft RMP/EIS focus on resolving one resource management issue, the leasing and development of Federal oil and gas resources in Texas.

Three RMP alternatives have been developed to describe the different management options available to the BLM for administering Federal oil and gas in Texas. These alternatives were specifically developed to respond to that issue. Each alternative presents a different level of oil and gas leasing stipulation application.

**Alternative A. No Action.**

This alternative represents a continuation of present resource allocation levels and management practices. This alternative provides a baseline for comparison of other

alternatives, and may not adequately resolve the issues identified in the RMP/EIS.

**Alternative B. Intensive Surface Protection (Agency Preferred Alternative).**

This represents an alternative which would place primary emphasis on protecting important environmental values through the use of additional leasing stipulations. The goal of this alternative is to change present management direction so that identified surface resource values are considered in the leasing process in a manner that provides additional protection for valuable surface resources.

**Alternative C. No Leasing.**

This represents an alternative which would remove Federal oil and gas from availability for leasing and development. It would change management direction so that the issue is resolved in a manner that places highest priority on the preservation of the oil and gas resources and protection of the associated surface resources.

**FOR FURTHER INFORMATION CONTACT:** For further information or copies of the Draft RMP/EIS contact Brian D. Mills, RMP Team Leader, 221 North Service Road, Moore, Oklahoma 73160. Telephone: (405) 794-9624.

Dated: September 19, 1995.

Jim Sims,

*District Manager.*

#### Idaho; Filing of Plats of Survey

The plats of the following described land was officially filed in the Idaho State Office, Bureau of Land Management, Boise, Idaho, effective 9:00 a.m., September 11, 1995.

The plat, in 2 sheets, representing the dependent resurvey of portions of the subdivisional lines and subdivision of certain sections, T. 3 S., R. 34 E., Boise Meridian, Idaho, Group No. 836, was accepted, September 11, 1995.

The plat, in 3 sheets, representing the dependent resurvey of portions of south and west boundaries, subdivisional lines, subdivision of certain sections, and the 1912 meanders of the left bank of the Blackfoot River, T. 3 S., R. 35 E., Boise Meridian, Idaho, Group No. 837, was accepted, September 11, 1995.

The plat, in 2 sheets, representing the dependent resurvey of portions of the east and north boundaries, subdivisional lines, and subdivision of certain sections, T. 4 S., R. 34 E., Boise

Meridian, Idaho Group No. 848, was accepted, September 11, 1995.

This survey was executed to meet certain administrative needs of the Bureau of Indian Affairs, Fort Hall Agency.

All inquiries concerning the survey of the above described land must be sent to the Chief, Branch of Cadastral Survey, Idaho State Office, Bureau of Land Management, 3380 Americana Terrace, Boise, Idaho, 83706.

Dated: September 11, 1995.

Duane E. Olsen,

*Chief, Cadastral Surveyor for Idaho.*

#### Fish and Wildlife Service

##### Notice of Availability of a Technical/ Agency Draft Recovery Plan for "Stahlia monosperma" for Review and Comment

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice of document availability.

**SUMMARY:** The U.S. Fish and Wildlife Service announces availability for public review of a technical/agency draft recovery plan for *Stahlia monosperma* (Cobana negra). This species belongs to a monotypic Genus endemic to Puerto Rico and Hispaniola, and it usually grows in brackish, seasonally flooded wetlands in association with mangrove communities. The only wild populations in Puerto Rico are known from Cabo Rojo, Río Grande, and Vieques island. Coastal development threatens the remnant populations of this species. The Service solicits review and comments from the public on this draft plan.

**DATES:** Comments on the draft recovery plan must be received on or before November 27, 1995 to receive consideration by the Service.

**ADDRESSES:** Persons wishing to review the draft recovery plan may obtain a copy by contacting Mr. Jorge E. Saliva, Caribbean Field Office, P.O. Box 491, Boquerón, Puerto Rico 00622. Comments and materials received are available upon request for public inspection, by appointment, during normal business hours at the above address.

**FOR FURTHER INFORMATION CONTACT:** Mr. Jorge E. Saliva, Caribbean Field Office, P.O. Box 491, Boquerón, Puerto Rico 00622, Telephone: 809/851-7297.
