Notice of Availability and Notice of Realty Action

AGENCY: Bureau of Land Management, Interior.

SUMMARY: Notice is hereby given that an environmental assessment and proposed plan amendment for the Cedar, Beaver, Garfield, Antimony Resource Management Plan have been completed. Pursuant to this environmental assessment and proposed plan amendment, 20 acres of public land have been found suitable for direct sale, under the authority of section 203 of the Federal Land Policy and Management Act of 1976, to Sheldon J. and Rita F. Jessup at the appraised fair market value of \$6,500. This land is located at Salt Lake Meridian, T. 29 S., R. 8 W., sec. 20, W $\frac{1}{2}$ W $\frac{1}{2}$ SW $\frac{1}{4}$ SE $\frac{1}{4}$ and sec. 29, W $\frac{1}{2}$ W $\frac{1}{2}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$, Beaver County, Utah. The land will not be offered for sale until at least 60 days after the date of this notice and is contingent upon the signing of a decision record approving the proposed amendment.

DATES: The proposed plan amendment may be protected. The protest period will commence with the date of publication of this notice. Protests must be submitted on or before October 30, 1995. Also for a period of 45 days from September 29, 1995, interested parties may submit comments on the proposed land sale to the District Manager, Cedar City District, at the address below.

ADDRESSES: Protests to the proposed plan amendment should be addressed to the Director (480), Bureau of Land Management, Resource Planning Team, Box 10, 1620 L Street, N.W., Washington, DC 20036, within 30 days after the date of publication of this Notice for the proposed planning amendment. All comments concerning this proposed sale should be addressed to A.J. Meredith, District Manager, Cedar City District, 176 East DL Sargent Drive, Cedar City, UT 84720.

FOR FURTHER INFORMATION CONTACT: Arthur L. Tait at 176 East DL Sargent Drive, Cedar City, UT 84720, telephone (801) 865-3080.

SUPPLEMENTARY INFORMATION: The lands described are hereby segregated from all forms of appropriation under the public land laws, including the mining laws, pending disposition of this action or 270 days from September 29, 1995, whichever occurs first. Only the surface estate will be sold. The patent, when issued, will contain a reservation for all minerals to the United States, together with the right to prospect for, mine and remove the minerals. There will also be

reserved to the United States, a right-of-way for ditches or canals constructed by the authority of the United States. In the absence of timely objections, this proposal shall become the final determination of the Department of the Interior.

In the absence of a formal protest to the Director, or timely objections to the District Manager, the proposed plan amendment shall become the final determination of the State Director.

Dated: September 20, 1995.
G. William Lamb,
Acting State Director.

Bureau of Reclamation

Quarterly Status Report of Water Service and Repayment Contract Negotiations

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given of proposed contractual actions that are new, modified, discontinued, or completed since the last publication of this notice on May 22, 1995. The February 1, 1995, notice should be used as a reference point to identify changes. The number in parenthesis corresponds to the number in the February 1, 1995, notice. This notice is one means in which the public is informed about contractual actions for capital recovery and management of project resources and facilities. Additional Bureau of Reclamation (Reclamation) announcements of individual contract actions may be published in the Federal Register and in newspapers of general circulation in the areas determined by Reclamation to be affected by the proposed action. Announcements may be in the form of news releases, legal notices, official letters, memorandums, or other forms of written material. Meetings, workshops, and/or hearings may also be used, as appropriate, to provide local publicity. The public participation procedures do not apply to proposed contracts for sale of surplus or interim irrigation water for a term of 1 year or less. Either of the contracting parties may invite the public to observe any contract proceedings. All public participation procedures will be coordinated with those involved in complying with the National Environmental Policy Act.

ADDRESSES: The identity of the approving officer and other information pertaining to a specific contract
